

Pokémon Super Mystery Dungeon Cobalt Voice 1:

Cobalt: (... Where am I...? ...But I'm not sure... What's going on? I can't remember... ...)

Cobalt: (... Where am...I...? What is this place...? My head is pounding... ...Huh? Why can't I remember anything? Wait, do I know my name? Oh, OK, at least I remember that... I can't remember anything else, though! What's going on here? ... I'm parched. I need to find some water... Oh, over there...)

Cobalt: *pant pant* *pant pant* (I...I feel alive again. It's incredibly delicious! Never has water tasted so good! Whew... OK, calming down now... Huh? I can see something reflected on the surface...)

Cobalt: (What?! What's going on?! Could it be...?! Is it even possible...? Have I become a Pokémon?! WHAAAAAAT?! Wh-wh-why?!)

Cobalt: (Um? What is that? Whoa! What's the deal all of a sudden?!)

Cobalt: *pant pant* *pant pant* (S-somebody help! Oh! Over there!)

Cobalt: (D-d-d-did a Pokémon just talk to me?!)

Cobalt: (OK... I'm a Froakie now, too, so I guess I can understand Pokémon!)

Cobalt: (Childish pranks? Do I look like a child or something to the Pokémon in this world...? Never mind that, though. What I should be focusing on now is...)

Cobalt: (That...that flickering light there!)

Cobalt: *pant pant*

Pokémon Super Mystery Dungeon Cobalt Voice 2:

Cobalt: *gasp* (What was that noise?! Whoa!!! There's something outside... Could it be...those Beheeyem? I thought I'd lost them once and for all, but...)

Cobalt: (I don't see anyone out here, but... I can't let my guard down! It I'm not careful, then...)

Cobalt: (Augh!)

Cobalt: (Er, well... My name...)

Cobalt: (H-hey! Wha-!)

Cobalt: (...)

Cobalt: (... What in the world...did I just witness? OK, I ended up left behind, but... since I'm here anyway... I might as well have a look around.)

Cobalt: (Hm? What's going on over thee?)

Cobalt: (Those two kids... They must live here in this village, too, huh? I wonder what's going on... they seemed pretty tense about something...)

Cobalt: (...Well, what should I do? I did over hear what they were saying... I guess I could offer to go look for that Goomy kid...)

Cobalt: (Yeah. I can't shake this feeling. I'll do it!)

Cobalt: (I feel like I've come pretty far, but... ...Oh! That must be him!)

Cobalt: (Is this the big piece of paper that Pancham and Shelmet were talking about? It's got writing on it... Foot writing...? The letters are oddly squiggly and sorta hard to read, but... somehow I think I can read them. G-o-o-m-y... That's what it looks like. I see. Which definitely makes his kid the Goomy they were talking about... Goomy made it all the way here and even wrote his name like they told him. That took real courage.)

Cobalt: (...)

Cobalt: (Nuzleaf!)

Pokémon Super Mystery Dungeon Cobalt Voice 3:

Cobalt: (Augh!)

Cobalt: (It's that crazy kid from yesterday! ...Every...thing's...going...black...
...Can't...hold on...)

Cobalt: (... ...Huh? Wh-where am I?)

Cobalt: (Someplace...really good?)

Cobalt: (The Drillbur?!)

Cobalt: (Whoa! I've never...)

Cobalt: (Yeah, that's true... The breeze feels great, too...)

Cobalt: (And our adventure was a success.)

Cobalt: (Like the clouds?)

Cobalt: (Wow... So Mischief has a dream... It seems like a pretty good dream, too. I
could get behind a dream like that...)

Cobalt: (What?)

Cobalt: (Well, yeah, if you try doing something reckless, I guess they would step in...)

Cobalt: (...It felt so good up on top of the hill that I dozed off... That was a pleasant
place, that hill with the big tree... The world of Pokémon has a lot of natural beauty... I
get that it's a really nice place... But... why am I here in this world? Why did I turn into a
Pokémon? ...Those Beheeyem worry me, too. I wonder if I'll be OK just staying
here...?)

Pokémon Super Mystery Dungeon Cobalt Voice 4:

Cobalt: (Hm? What's that?)

Cobalt: (A note? From Nuzleaf?)

Cobalt: (Looks like I'll be on my own awhile.)

Cobalt: (That sounds like Mischief.)

Cobalt: (...Teams?)

Cobalt: (Hm? What was that?)

Cobalt: (It's Espurr!)

Cobalt: (Wha-? Where's Goomy?!)

Cobalt: (But...will Goomy really be all right alone?)

Cobalt: (That does seem to be true, but... But, more importantly...)

Cobalt: (...)

Cobalt: (Huh?)

Cobalt: (Erm... What should I say?)

Cobalt (I think you can be.): (I may be just as much to blame for what happened with Goomy today, but... that doesn't change the fact that sometimes you can be a bit much.)

Cobalt (I don't think you are.): (That's not true. I'm just as much to blame for what happened with Goomy today. But still... It's true that you drag others into bad situations without thinking. And I'd guess that might end up with others feeling troubled sometimes. So it might be better to try to keep other people's feelings in mind a bit more... All right. Now I've got to get that idea across to Mischief somehow!)

Cobalt: (Urk! It looks like I may have made things even worse.)

Cobalt: (... Oh dear... I didn't think my words would hit Mischief quite so hard. It's hard to get your feeling across to others sometime.)

Cobalt: (Seems like Mischief is still hung up on what we were talking about yesterday. I guess...I'll just have to make my own way to school then...)

Cobalt: (I think I may be a bit late...) *pant pant* (Huh? Is that...? Mischief!)

Cobalt: (Poor Mischief...)

Cobalt: (We've climbed pretty high up...)

Cobalt: (Is this...?)

Cobalt: (...)

Cobalt: (Dangerous situations?)

Cobalt: (I see... I didn't really notice when I first arrived here in this world, but... Mischief isn't actually that close to all the other kids.)

Pokémon Super Mystery Dungeon Cobalt Voice 5:

Cobalt: (Nuzleaf! He's back already!)

Cobalt: (Looks like I'll be waiting to school on my own again today...)

Cobalt: (Huh? Seems like there's a crowd around the village entrance. What's going on?)

Cobalt: (Honey making, huh? I wonder what that "delicious Honey" is like. I wouldn't mind taste.)

Cobalt: (What should I do? They'd probably be shocked if were to tell them the truth. Would any of them even believe me?)

Cobalt: (But trying to hide the truth won't really gain me anything, either... I guess I'll try being honest.)

Cobalt: (Seems like it really is a shock...)

Cobalt: (Wha-?)

Cobalt: (Deerling...)

Cobalt: (Espurr...)

Cobalt: (It's true that her mother at least would get worried about it. Wait... Budew? I think Budew is the one I saw back then...)

Cobalt: (Could it be that Budew went anyway? She may be after some honey!)

Cobalt: (Huh?)

Cobalt: (... So they won't believe a word I say. Well...if that's how it is...)

Cobalt: (No way am I going to let this go. If no one else believes me, then I simply have to go by myself! I'm going straight to Nectar Meadow!)

Cobalt: (What?)

Cobalt: (Mischief!)

Cobalt: (If I'm too late getting home, Nuzleaf will probably chew me out... I guess I ought to start beading back...)

Cobalt: (What?)

Cobalt: (Huh? Isn't that a bit blunt? And why does it sound like an order?!)

Cobalt: (Wow, no punches pulled there...)

Cobalt: (Are these...scarves?)

Cobalt: (What?!)

Pokémon Super Mystery Dungeon Cobalt Voice 6

Cobalt: (It looks like some kind of crystal ball.)

Cobalt: (Ugh... Looks like Mischief was right about this one.)

Cobalt: (The first bell is about to ring, too.)

Cobalt: (You're asking me? Like I what to do in this kind of situation...)

Cobalt: (She's using her telepathy!)

Cobalt: (E-everyone is-)

Cobalt: (Wha-?)

Cobalt: (There's...just one of them?)

Cobalt: (Whoa!)

Cobalt: (...A team name, huh? Let's see...)

Cobalt: (Ah... Do I?)

Cobalt: *sigh* (Pushy as usual... But I guess that's OK.)

Cobalt: (Ah! It's Nuzleaf!)

Cobalt: (For dinner? In that case...)

Pokémon Super Mystery Dungeon Cobalt Voice 7:

Cobalt: (Mischief!)

Cobalt: (...Huh? Mischief didn't come today? Maybe it's still a bit carly...)

Cobalt: (What! They did?!)

Pokémon Super Mystery Dungeon Cobalt Voice 8:

Cobalt: (All right... I guess it's about time we started heading to school... I've got to sneak out in some way so Nuzleaf won't notice a thing.)

Cobalt: (Nuzleaf is in the next room. Rather than trying to sneak out this way... maybe I should try a window?)

Cobalt: (All right! Here we go!)

Cobalt: (Whew. Looks like I managed to get out without anyone noticing...)

Cobalt: (Mischief.)

Cobalt: (Is...is that...?!)

Cobalt: (Ugh... What in the world?)

Cobalt: (Mischief!)

Cobalt: (Mischief!)

Cobalt: (Me, too!)

Cobalt: (That's Pancham's voice!)

Cobalt: (We're surrounded!)

Cobalt: (Even if Mischief hadn't said it!)

Cobalt: (I know that the Litwick aren't really cruel Pokémon... So I guess it's all right, as long as they realize what they did wrong.)

Cobalt: (...What?!)

Cobalt: (Eek!)

Pokémon Super Mystery Dungeon Cobalt Voice 9:

Cobalt: (Ugh... So sleepy... I hardly got a wink of sleep after getting lectured until the sun came up... not that I can really complain. It's true we snuck out without permission... Of course they were going to be mad... I wonder how Mischief is holding up... Probably hearing it from Carracosta right now...)

Cobalt: (I never much noticed, but... Nuzleaf is really laid back when it comes to adventuring, huh?)

Cobalt: (I guess Carracosta's using cleaning as a punishment... What's this...? A slip of paper? It's a note from Mischief!)

Cobalt: (Sounds like Mischief is in a pretty tough spot... Oh well. It's just one day... I guess I can see if anyone else wants to go exploring a dungeon with me...)

Cobalt: (Really...)

Cobalt: (Hmm... Well, in that case...)

Cobalt: (Could Revelation Mountain have a connection to why a Pokémon now?)

Cobalt: (It might be worth checking out... As long as it doesn't cause any troubles for anyone else...).

Cobalt: (That's the path to Revolution Mountain, huh?)

Cobalt: (I guess we couldn't learn anything at Revelation Mountain after all... Why in the world did I become A Pokémon? Maybe if I wait a little longer, my memory will come back... I thought I'd be able to figure something out if I just hung around here awhile... but now I'm not so sure. Those Beheeyem still worry me, too. We're all right for now...but if those Beheeyem show up here... .. I don't want to get everyone in the village caught up in this mess. So I know what I have to do...)

Cobalt: Maybe it's about time to get moving... I might have to leave the village... I'll have to leave everybody... even Mischief...behind. It's going to be hard...but if I stay, it'll just cause trouble for everyone.)

Pokémon Super Mystery Dungeon Cobalt Voice 10:

Cobalt: (Could it be...?)

Cobalt: (No doubt about it...it's the Beheeyem! They've made it all the way to the village...)

Cobalt: (Mischief is really excited. Maybe now isn't the time... But I'm afraid those Beheeyem are going to show up here sooner rather than later. When that happens, everyone will get caught up in my problems. I can't let that happen. I guess I just have to leave here. I have to say something to Mischief.)

Cobalt: (...)

Cobalt: (Wha-?!)

Cobalt: (Just as headstrong as ever... I think Mischief and I are strong enough to battle those Beheeyem now, though. Maybe it would be a good idea to leave together. After all, I have to Nuzleaf, too.)

Cobalt: (Nuzleaf and the other villagers have been so good to me. And that's exactly why I can't let anything happen to the village.)

Cobalt: (What?)

Cobalt: (Nuzleaf...)

Cobalt: (I didn't think he would oppose me. From what Roselia and Raticate told me, it has to be those Beheeyem. Why is Nuzleaf trying to stop me? But if he says no, I can't just up and leave the village anyway. But I also can't just let those Beheeyem come find me here. What should I do? ... It's no use. I have no clue what to do. I guess I should just sleep on it.)

Cobalt: (Oh yeah! I wonder how things went with Mischief.)

Cobalt: (Sounds like it's not going well...)

Cobalt: (Wh-where...?)

Cobalt: (...)

Cobalt: (...)

Cobalt: (Mischief...)

Cobalt: (Oh! Actually, about that...)

Cobalt: (Huh?! Just now... I could've sworn we were being watched.)

Cobalt: (...Maybe it's just my imagination.)

Cobalt: (I didn't see those Beheeyem today, either. Maybe I should just stay here in the village like Nuzleaf says. But...if they did show up here... What would I do?)

Cobalt: (What's going on? This is a major attitude adjustment from yesterday. I guess everything's fine.)

Cobalt: (Advice...?)

Cobalt: (That reminds me, didn't you have something you wanted to talk about? What could it be...?)

Cobalt: (Wha-?!)

Cobalt: (I don't like just sneaking away like this. But when I consider the Beheeyem, leaving is my only option. I've got no plans beyond getting out of here, either. So I might as well try to join the Expedition Society with Mischief!)

Cobalt: (H-huh?! It felt like someone was watching us again...)

Cobalt: (but no one's there. There's something not quite right here... Or maybe I'm just imagining it.)

Cobalt: (It's been dark out for a while now. I guess it's about time to leave. Nuzleaf... Thanks for everything. I'm so sorry to be sneaking away like this.)

Cobalt: (All right, it's time to go! Nuzleaf... you took mein and let me stay. Thank you so much.)

Cobalt: (The principal!)

Cobalt: (...It wasn't that the adults didn't understand what we were saying... They were just looking out for us. And encouraging us...)

Cobalt: (N-Nuzleaf...)

Pokémon Super Mystery Dungeon Cobalt Voice 11:

Cobalt: (Pokémon Nexus...)

Cobalt: (Mischief sure does get discouraged easily... But I've never seen anyone who gets over things so quickly! I really like that positive, hard working attitude! Just being together makes me feel full of life!)

Cobalt: (Is this what you call...a shakedown?)

Cobalt: (I can see something in the middle of it... Is that a big map?)

Cobalt: (Wow. So this is it...)

Cobalt: (How about that... the places we can't see are covered in clouds...)

Cobalt: (Mischief!)

Pokémon Super Mystery Dungeon Cobalt Voice 12:

Cobalt: (...Oh yeah! Didn't the Pokémon Nexus get wrecked yesterday?)

Cobalt: (From what I saw yesterday, I can imagine...)

Cobalt: (Jirachi really doesn't remember anything...)

Cobalt: (I guess he means this...?)

Cobalt: (It's the same as the Pokémon Nexus!)

Pokémon Super Mystery Dungeon Cobalt Voice 13:

Cobalt: (...The Pokémon that was flying through the sky earlier? It crash-landed here?)

Cobalt: (No way! Is this the “Flaming Phantom“?)

Pokémon Super Mystery Dungeon Cobalt Voice 14:

Cobalt: (Nuzleaf!)

Cobalt: (Nuzleaf...I’m sorry... I didn’t say good-bye to you when I left the village.)

Cobalt: (That’s one way of looking at it. I’m pretty sure they just wanted to hurry up and eat...)

Cobalt: (We creating have had a lot of hot days in a row. The sunlight feels stronger than usual, too...)

Cobalt: (Mischief always recovers so quickly.)

Cobalt: (They’re talking about the Pokémon that have been turned to stone... That reminds me of Latios and Latias. Those Pokémon were turned to stone on the Air Continent... Who would do such a thing? And why? I think Ampharos suspected Entei, but it looks like he was wrong... There’s something not quite right about this heat wave, too... What in the world is going on?)

Cobalt: (It looks like his showdown with whoever’s behind this is already over...)

Cobalt: (While we’re standing here talking, even more Pokémon could be getting turned to stone. It would be huge if we found some way to turn them back.)

Pokémon Super Mystery Dungeon Cobalt Voice 11:

Cobalt: (He said he was going to get something!)

Cobalt: At last we know where he went!

Cobalt: (What?!)

Cobalt: (No doubt about it!)

Cobalt: (There's something mysterious about it... Mystical even...)

Cobalt: (It does look that way to me...)

Cobalt: (That's me. It has to be...)

Cobalt: (Sealed away on Revelation Mountain?!)

Cobalt: (is that why I came to this world? I still can't remember anything, so I'm not too sure about this... If does say that a human can break the barrier... but I don't have any idea how I'm supposed to do that.)

Cobalt: (Kr-!)

Cobalt: (He's getting closer...)

Cobalt: *gasp* (He's saying something... I think I heard him say, "This wasn't part of the deal," or something...)

Cobalt: (A deal...? Money?)

Cobalt: (He's right... but why do I have such a bad feeling about this?)

Cobalt: (Something...is wrong... But what is it?)

Cobalt: *gasp*

Cobalt: (Nuzleaf did it?!)

Cobalt: (From when I lost my memory?!)

Cobalt: (Got it!)

Cobalt: (Aaarrgghh!)

Pokémon Super Mystery Dungeon Cobalt Voice 12

Cobalt: (... Uhhnn... Uhhnn... Wh-where am I? Mischief!)

Cobalt: (I don't know... but if it is, where are Archen and the others? Raikou, Suicune... or even Krookodile...)

Cobalt: (There are way too many things we don't understand going on here. I don't think we're going to learn anything standing around here, though. Right now we need to focus... on finding a way out of here. Mischief.)

Cobalt: (Isn't that the Expedition Gadget?)

Cobalt: (It probably was those Beheeyem! I have no idea why, though... Those Beheeyem had the power, too! The power to turn Pokémon to stone!)

Cobalt: (Mischief...)

Cobalt: (Could that be?!)

Pokémon Super Mystery Dungeon Cobalt Voice 13

Cobalt: (Ooh!)

Cobalt: (Oh no! I let my guard down! Uhhnn... what's going on here? It's all black and sticky I can't move!)

Cobalt: (Is that Mischief?)

Cobalt: (Mischief's voice is fading! I feel like I'm about to faint...)

Cobalt: (...I'm trying...but...My senses...are all slipping away... It's no use! I guess this...is it...)

Cobalt: (Huh?!)

Cobalt: (Am I saved?!)

Cobalt: (Luminous Water, right?)

Cobalt: (M-me...?)

Cobalt: (So it is at the summit...)

Cobalt: *pant pant*

Cobalt: *pant pant*

Cobalt: (I tried...but I just can't...)

Cobalt: (Wha-?!)

Pokémon Super Mystery Dungeon Cobalt Voice 14

Cobalt: (Ugh... Everything hurts...)

Cobalt: (Oof... Wh-where am I now?! Wait... Isn't this Revelation Mountain?! That's right! Mischief and I...)

Cobalt: (Mischief!)

Cobalt: (That Luminous Water...)

Cobalt: (The water...It's all dried up... I knew Nuzleaf wouldn't just leave it waiting here for us... I knew it, and yet...)

Cobalt: (That place... It wasn't the kind of place that you go to and make it back unsathed... There's no way we would have all made it back. It's just like Entei said at end there... He knew it was a lost cause...and that's why he decided to bet everything on us. They did all for us, all along. When I think back now about how cold they seemed to us... I guess maybe they just didn't want us to know what they were planning to do? We owe Entei and the others everything. We can't give up now. They left this whole world in our hands. Mischief.)

Cobalt: (I can't say for sure... But there are still some mysteries surrounding Mischief, too. Like being able to read that ancient language as though it's nothing... And the scarves, too...)

Cobalt: (If Mischief has really had them forever, then... When I think about it, there are actually a lot of strange things about Mischief...)

Cobalt: (Mischief...)

Cobalt: (That's my Mischief!)

Cobalt: (That's just what I had in mind! If would take too much time if the two of us tried to tackle all of this on our own... And that's time that we don't have. We should start by talking to Ampharos!)

Cobalt: (Everyone is...gone?!)

Cobalt: (What happened to the village?! How could that many Pokémon just-? No... no, they couldn't ALL have been turned into stone...could they?)

Cobalt: (What?!)

Mischief: L-look, I may be worried... Like, really, really scared-to-death worried... I don't know what happened to my old pops... Where he is...or whether he's OK or not... I'm petrified just thinking about it...But...but if I go and try to find my old pops now... I don't think I'll be able to keep going on this path that we've started down. And I can't... I can't stop now...

Cobalt: (Mischief... You...)

Cobalt: (Mischief...)

Cobalt: *pant pant*

Cobalt: (It's true... The sun even looks bigger in the sky... That can't be, though...)

Cobalt: (They've all been turned to stone...)

Cobalt: (The whole town...)

Cobalt: (What's this...?)

Cobalt: (She wasn't even trying to run from an enemy or anything... She was just standing here eating a Perfect Apple, and they attacked her...)

Cobalt: (According to ancient writings, Dark Matter is behind Pokémon being turned to stone... But then how are Yveltal and Nuzleaf involved...? We still don't have any answers...)

Cobalt: (I know! I'm still sad that Swirlx was turned to stone, but... It's such a relief to know that those two at least made it through!)

Cobalt: (Mischief...)

Cobalt: (Espurr...)

Cobalt: (Mischief had already decided, back when we left Serene Village...)

Cobalt: (I believe in the resolution I saw in Mischief's eyes. Even if actually hearing it came as a blow, Mischief won't give up now. Mischief will come back.)

Cobalt: (Mischief...?)

Cobalt: (No... That's not Mischief!)

Cobalt: (But who...?)

Cobalt: (Let's follow them!)

Cobalt: (B-Beheeyem?!)

Cobalt: (I can't believe it! They followed me all the way here! I'll put a stop to this once and for all!)

Cobalt: (He...he's still moving?!)

Cobalt: (Wha-?)

Cobalt: (If Yveltal and Nuzleaf are also being controlled by Dark Matter like Beheeyem... Well, it would seem to clear up another of the mysteries, but... can we really believe this Beheeyem?)

Cobalt: (The Tree of Life...is in the Prehistoric Ruins?!)

Cobalt: (He thought he could defeat Dark Matter...?)

Cobalt: (This could be our best bit of luck yet... or not.)

Cobalt: (If Beheeyem is telling the truth, then I think we should go and fight away. We might be able to outwit Yveltal and Nuzleaf, too. It's dangerous, but it's the best chance we've got!)

Pokémon Super Mystery Dungeon Cobalt Voice 15:

Cobalt: (Mischief!)

Cobalt: (What I might remember...?)

Cobalt: (It was all because of who I am...? Nuzleaf singled me out...because of what I might remember?)

Cobalt: (Mawile... Buizel...)

Cobalt: (He really is-!)

Cobalt: (What...?)

Cobalt: (That voice!)

Cobalt: (...)

Cobalt: (What now...?)

Cobalt: (You did...?!)

Cobalt: (By some ancient Pokémon?!)

Cobalt: (...)

Cobalt: (Beheeyem, no!)

Pokémon Super Mystery Dungeon Cobalt Voice 16:

Cobalt: (So it wasn't just our imagination... I'd thought that the sun seemed larger than usual in the sky, but...really? Just having everyone turning into stone was enough of a crisis to deal with... If this planet gets swallowed by the sun as well...then that's it...)

Cobalt: (... I can't. I can't remember anything.)

Cobalt: (And Yveltal?!)

Cobalt: (You're the Beheeyem from before!)

Cobalt: (Shadows... Like the ones in the Voidlands!)

Cobalt: (Waah! Huh?)

Cobalt: (It's just like what happened when we fought Entei that time!)

Cobalt: (It sounds like several different voices... and yet... It's like they all speak as one... No! It can't be- Is this the voice if...?)

Cobalt: (Wha...Huh?)

Cobalt: (Because the Tree of Life left the planet?)

Cobalt: (Mischief!)

Cobalt: (Don't you dare give up! I'll get you up there, so you just keep going!)

Cobalt: (Ugh! Gaaaaaaahhh...!)

Cobalt: (Is there...nothing we can do? Are we simply to watch the end approach? With no...hope...left...)

Cobalt: (huh... wha?!)

Cobalt: (That's right! We can't let it go to waste! We owe them that much at least!)

Pokémon Super Mystery Dungeon Cobalt Voice 17:

Cobalt: (I...I Can't breathe!)

Cobalt: (Arceus!)

Cobalt: (Oh! My chest... I can breathe again!)

Cobalt: (Mischief has always been so positive... with such an unflagging spirit... But now... that spirit burns even brighter than ever... Is it just an act? To keep our hopes up? I don't know what it is. But it makes me feel better about our chances up here.)

Cobalt: (It sounded almost like...a Pokémon's cry...)

Cobalt: (I don't know... This could be a trap...)

Cobalt: (I know.)

Cobalt: (That's...Dark Matter!)

Cobalt: (We're trapped?!)

Cobalt: (An attack is coming next!!)

Cobalt: (They're coming from Dark Matter!)

Cobalt: (You heard that, right? It said that the Tree of Life is dying. Which means...)

Cobalt: *gasp* (But there in that tree's trunk... That light!)

Cobalt: (Maybe something will happen!)

Cobalt: (We managed to damage it!)

Cobalt: (Yaaaaaaaaarrggghhh!)

Cobalt: (Wait! Does that mean... The light from the Tree of Life!)

Cobalt: It's regenerating itself!

Cobalt: (All our power...)

Cobalt: (...)

Cobalt: (Mischief!!)

Cobalt: (What do we still have? Do we have anything? Isn't there...anything...? There's nothing... We've lost everything... There's nothing left... What is there even to fight for anymore? We've lost...)

Cobalt: (Mischief...)

Cobalt: (Mischief! That's right... I still have something... There's something right here... Something worth fighting for.)

Cobalt: (The will to keep fighting! The courage to keep going, matter what! The courage our allies have given us! It doesn't matter that they're turned to stone... They're still with us in spirit...)

Cobalt: All the Pokémon yet living in this world... The many Pokémon who still haven't been turned into stone... They are still out there, whether near or far! And they still want to live in peace!

Cobalt: (I know that's what they're wishing for now! And that's why...)

Cobalt: (Mischief! It doesn't matter how weak we are!)

Cobalt: (As long as we can still fight...)

Cobalt: We will never give up!

Cobalt: (We're not finished yet! Let's go!)

Cobalt: (Dark Matter's true core?)

Cobalt: (I know. We just have to strike it there!)

Cobalt: (Wha-?)

Cobalt: (Do it again? Do what?)

Cobalt: (...)

Cobalt: (...So we can't really defeat Dark Matter... We'll just be making it stronger... So that it can strike again, worse than ever, at some poor future Pokémon... Dark Matter is made from our negativity. So we can't ever erase it completely. But if we do nothing now, this planet will be drawn into the sun... Then...what do we do...)

Cobalt: *gasp*

Cobalt: (Mischief!)

Cobalt: (Arrrrggggghhh!)

Pokémon Super Mystery Dungeon Cobalt Voice 18:

Cobalt: (...Unhh. Oooh... Ow...)

Cobalt: (Mischief... But where are we?)

Cobalt: (I-is that-)

Cobalt: (Could it be... It's got to be! It's the Tree of Life!)

Cobalt: (I never imagined...it would be so beautiful.)

Cobalt: (Oh! What's that?!)

Cobalt: (Wh-who are you?)

Cobalt: (I know, Mischief!)

Cobalt: (A-Ampharos!)

Cobalt: (Espurr!)

Cobalt: (Huh? Me?!)

Cobalt: (Espurr...)

Cobalt: (Mischief...)

Cobalt: (I can't really say anything about it... since I don't remember that time myself.)

Cobalt: (Thanks. Espurr, and you, too. Mischief. Huh? Wait a second. If I came to this world a long time ago in the past... then I must have gone back to the human world after battling Dark Matter, right? Probably because I'd done what I came here to do... But...we got rid of Dark Matter, and now the world is at peace again... So...what is going to happen to me...? Now that I've done my duty... what will happen to me? I guess...I'll be going back to the human world... and leaving this place. I might have to say good-bye to everyone...)

Cobalt: (E-everybody...)

Cobalt: (Nuzleaf?!)

Cobalt: (...)

Cobalt: (Nuzleaf...)

Cobalt: (Mischief...)

Cobalt: (Mischief's room... it's been so long since I was last here...)

Cobalt: (Mischief really was tired, huh... But it really was a fun day.)

Cobalt: (I wonder how long these fun times can continue...? These happy days with Mischief and everyone... I wonder...when I'll have to leave... ... I can't remember what happened in the past, so I've no idea how long I was here for then. I guess I'm pretty tired, too... I think I'll just...lie down for a bit...)

Cobalt: (...Oh yeah... I guess what I should really be wondering about... is not when I'll have to leave... but whether I want to... I love this world... I...want to stay with Mischief and everyone else I've met... That's right... I don't want to leave. I've got to try to find a way that I can stay here in this world... There has to be a way... I'll start looking for it...tomorrow... A way...to stay...)

Cobalt: (..Huh? Mischief's gone already... I wonder where...?)

Cobalt: (The hill with the tree? That sure brings back some memories... Maybe I'll wander up there myself.)

Cobalt: (Mischief!)

Cobalt: (It's true...)

Cobalt: (I remember...)

Cobalt: (...It's true... I remember so many times... It's no wonder, though. This is a great spot. The wind feels so nice up here. I really... I really want to stay in this world! That's it. Mischief.)

Cobalt: (More than anything else... I want to stay here with you, Mischief. I don't ever want to say good-bye.)

Cobalt: (Mischief...?)

Cobalt: (Xerneas?!)

Cobalt: (Xerneas came...to wake Mischief...?)

Cobalt: (M-Mew?! THAT Mew?! The one who...?!)

Cobalt: (In a...previous life...?!)

Cobalt: (Mischief... You...)

Cobalt: (I agreed...to having my memories erased?)

Cobalt: (...)

Cobalt: (Mischief!)

Cobalt: (The light! Mischief!)

Cobalt: (Mischief!)

Cobalt: (Mischief! Wait!)

Cobalt: (...Mischief...is... No! It can't be! Th-this...isn't how it was supposed to end... Is this why I chose to forget everything? Did I know that this was the only way things could end...? Did I have to forget...to be able to go through with it all... for the sake of the Pokémon world... and most of all...for Mischief? Mischief! Mischief!!!)

Pokémon Super Mystery Dungeon Cobalt Voice 19

Cobalt: (...Maybe... Maybe Mischief isn't totally gone yet... Maybe Mischief's spirit is still out there... somewhere in the world... If only...there was a way...)

Cobalt: (Another morning and I'm still here. I'm still a Pokémon... I guess... it really is like Mischief said back then.)

Cobalt: (It's true that I didn't want to leave. I wanted to stay here in this world. But...not like this... I thought I wouldn't ever want to leave this world... But that was because everyone was here... It was because Mischief was here. I just wanted us to stay together. I never thought Mischief would be the one to leave... It's like. I only really realized it after Mischief was gone... That, without Mischief, I'm just... There I go again, every time I let myself go for a moment, I'm back to these thoughts... I'm supposed to doing my job. I've got to give it my all! What...was that? For a second there, I felt like I was being watched by someone. But I guess it was just my imagination.)

Cobalt: (Ampharos...)

Cobalt: (...)

Cobalt: (What?!)

Cobalt: (This scarf?)

Cobalt: (A Pokémon that can see both the past and the future? His name is Xatu. Zatu lives on the Sand Continent. In a place called the Sand Dune of Spirits. Why not go and chat with him a bit?)

Cobalt: (I feel like I've come pretty far, but... Oh! There's someone up ahead!)

Cobalt: (H-how did he know my name?!)

Cobalt: (What in the world?!)

Cobalt: (M-Mew?!)

Cobalt: (You mean THAT Mew? Mischief's past incarnation? Wh-what else did you see?!)

Cobalt: (On the Grass Continent?! Mew is in the Mystery Jungle right now?!)

Cobalt: (Mischief's past incarnation... Mew is still here in this world?! If just go to the Mystery Jungle...I can still find Mew! And maybe a way to bring Mischief back!)

Cobalt: (... The Grass Continent... Mew is there... ...Should I really go? Go to the Mystery Jungle on the Grass Continent...?)

Cobalt: (Can it be much farther now? I haven't found anyone like Mew so far... Huh? What's that up ahead? A dead end?)

Cobalt: (It looks like this is the end of the line... I guess...I'll just have to go back. Ah!)

Cobalt: (Mew?! YOU'RE Mew?!)

Cobalt: (...)

Cobalt: (...This Mew seems somehow different from Mischief. But I don't think this is what the ancient Mew from back then was like, either. Is this a new Mew? Has Mew been reborn or something?)

Cobalt: (I thought I might get some clue by coming here, even if was just something small. But this Mew doesn't seem to know a thing. I finally found Mew...and it turn out to be for nothing.)

Cobalt: (Yeah... Sorry. IT's not your fault...exactly...)

Cobalt: (I feel like someone...is following me. The feeling...isn't going away.)

Cobalt: (Mew gets sleepy so easily... I suppose kids are like that, huh? Mew is pretty adorable, I guess... But I was trying to find Mischief... I'm not sure how we ended up like this. Mew is not Mischief... nor the Mew from the ancient past... but a different Mew altogether. This new Mew latched right on to me, but... the call of home, the Mystery Jungle, may take this Mew from me, too. So I guess I'll keep things the way they are for now.)

Cobalt: (You've been trying really hard... And you're already strong to begin with.)

Cobalt: (Wha- That's just like...)

Cobalt: (Mischief!)

Cobalt: (...huh? I feel like I'm being watched...)

Cobalt: (Mew really seems to have become part of the life here.)

Cobalt: (...)

Cobalt: (Mew... Thank you.)

Cobalt: Mm... *yawn* Is it...morning already? The breeze...sure feels nice on my face. I guess it's time to wake up...

Cobalt: (What in the world?! Th-this is... Serene Village?! Wh-why am I here?! I fell asleep in my room at the Expedition Society headquarters. So how did I end up here?! Is it just me here? Ugh... My head... Did somebody hit me or something? I can't remember... I'd already forgotten so much of my life before here, and now I'm forgetting more? This is not good, I've got to try to remember! I know I was turned into a Pokémon and helped to defeat Dark Matter... Then Mischief disappeared... And that was when I met Mew. That's right! Mew! Mew came to live with me. I remember the first few days... But what happened after that?! What is going on?)

Cobalt: (Ow! Oooh, my head... Ah! I remember!)

Cobalt: (Mew... Mew suddenly fell ill... and wouldn't wake up!)

Cobalt: (I've got to hurry back to Lively Town!)

Cobalt: (I can remember Mew's collapsing, but that's about it. Even so, I need to get to the Expedition Society!)

Cobalt: (Mew isn't here?! B0but then where-?!)

Cobalt: (That's right... Now I remember! Which ended up with us learning that there was still some Dark Matter within Mew that is what Xatu explained...)

Cobalt: (Right... And then... I thought that if Mew just saw the view from the hill with the big tree... that it might cure whatever was wrong.)

Cobalt: (Huh? Mew...is gone?)

Cobalt: (Before I knew what had happened, Mew had somehow disappeared...)

Cobalt: (Ahhh!)

Cobalt: (That's right... that was When I was hit by someone or something... I must have fainted, there on the hill... But then...what about Mew?!)

Cobalt: (Mawile! Ampharos!)

Cobalt: (A letter...?)

Cobalt: (“We must destroy Dark Matter! If we do not, this world will be consumed by nightmares once more. That is why Mew must be destroyed in the Punifying Cave That is how the peace of this world can be protected! You must accept this, Expedition Society! -A protector -A protector of peace” Wha- what is this?!)

Cobalt: (No way!)

Cobalt: (To...”end” Mew...?)

Cobalt: (Ampharos...)

Cobalt: (Ugh... This is tougher without Mew.)

Cobalt: (I’m right back at the start again...)

Cobalt: (I sure hope to be Mew here find a way to do... But I’ve got to rescue Mew, and soon! I have to do it! I have to tackle the Purifying Cave!)

Cobalt: (I feel like I’ve made it pretty far... Oh! There’s something up ahead!)

Cobalt: (Mew!)

Cobalt: (I...I know that voice! But it can’t be... not you! Nuzleaf Beheeyem! Th-then...the one who attacked me in Serene Village... The one who kidnapped Mew... That was all you?!)

Cobalt: (I...I can understand that. I wouldn’t want anything like that to ever happen again, either. But... But that doesn’t mean- M-Mew!!)

Cobalt: (Mew is...disappearing... Is this really...for the best? Really?)

Cobalt: (Do I have to accept this? Is this really-)

Cobalt: (Is this for the best?)

Cobalt: (No! This isn’t what I want! I want us to stay together! If Dark Matter comes back, I’ll beat it again! I can’t do that again! I don’t ever want... to have to say good-bye again!)

Cobalt: (Huh?!)

Cobalt: (is that-)

Cobalt: (Mischief!!)

Cobalt: (My...wish?)

Cobalt: (Ampharos! Xatu! And Mawile, too?!)

Cobalt: (To lead...me?)

Cobalt: (Nuzleaf...?)

Cobalt: (Nuzleaf...)

Cobalt: (Mischief!!)
