

## Marilyn McNitt Memorial Scholarship Application

The Marilyn McNitt Memorial Scholarship, open to graduate students in an archival science program or related field, funds a student to attend the Michigan Archival Association Annual Meeting. Marilyn was an archivist at the University of Michigan's Bentley Historical Library for twenty-five years. Her commitment to researchers and students was an inspiration to fellow MAA members, and she left an indelible mark on the organization.

The scholarship covers the annual meeting registration for the 2026 conference in Petoskey. The recipient will also receive a \$250 stipend for educational expenses and a one-year membership to MAA. The scholarship winner will be asked to write an article for the MAA newsletter, *Open Entry*, about their annual meeting experience.
