GRADE 10 MATHEMATICS THIRD QUARTER LESSON CHECKLIST

MARK (/ , X)	WEEK	CODE	Lesson No.	LESSON TITLE	DATE	REMARK/S	Most Essential Learning Competencies (MELC,s)
	1	(M10SP - IIIa - 1)	1	Illustrates the permutation of objects			Illustrates The Permutation Of Objects
			2	Illustrating Permutation (Linear, Circular, and Distinguishable)			
	2	(M10SP-III b-1)	1	Solving Problems Involving Permutation			Solves problems involving permutations.
			2	Word Problems involving permutation			
	3	(M10SP-III c-1)	1	Illustrates the combination of objects			Illustrates the combination of objects.

	4	(M10SP-III c-2)	1	Permutation Vs Combinations			Differentiates permutation from combination of n objects taken r at a time.
			2	Differentiates permutation from combination of n objects taken r at a time.		For Lesson Enhancement	
	5	(M10SP-III d-e-1)	1	Solves problems involving permutations and combinations.			Solves problems involving permutations and combinations.
			2	Solving Word Problems Involving Permutations and Combinations		For Lesson Enhancement	
	6	(M10SP-III f-1)	1	Probability of Simple Events		Preview	Illustrates events, and union and intersection of events.
			2	Union and Intersection of an Event			
	7	(M10SP-III g-1)	1	Probability of union of two events			Illustrates the probability of a union of two events.
	8	(M10SP-III g-h-1)	1	Finds the probability of (A U B), Illustrates Mutually Exclusive Events			Find the probability (A U B).
	9	(M10SP-III i-1)	1	Illustrates Mutually Exclusive Events			Illustrates mutually exclusive events.
			2	Which ois Which Mutually Exclusive and Non Mutually Exclusive Events		For Lesson Enhancement	
		(M10SP-III j-1)	3	Solving Problems Involving Probability			Solves problems involving probability.
