COVID Information

The COVID pandemic situation is continually changing. We follow Trinity's Building Mask Policy. That policy can be found here: <https://www.trinityuccpa.com/building-mask-policy>

- If masks are optional:
 - Please discuss with your child that some friends / teachers may be wearing masks while others are not wearing masks and that's okay.
 - The teachers will do their best to help the students who are wearing masks to keep them on except during mask breaks.
- If masks are required:
 - Students will be given mask breaks, including during snack time and during any outside activities.
 - The teachers will do their best to help the students keep their masks on and to social distance wherever possible.

Please do a health check each morning before bringing your child to school. If your child is not feeling well, please do not bring him or her to school.

If there is a positive COVID case, we will inform all parents and follow recommendations from the CDC and the Bucks County Department of Health as to the need to quarantine and whether we need to close for a period of time.

Cleaning Procedure

Classrooms, toys, and the bathroom will be cleaned/sanitized after each class.
