

Nobody Forever (LYRICS) - *fake*. NmMindstorm

Will
(Softly)

Is this it?
Is *this* all I'm meant to be
Forever?

No one cares.
Don't even try to say they do.
Where were you?

I've been trying, and trying, and
trying
But have I just been lying to
myself?
Nothing I write makes a difference
My songs sell like... something that
doesn't sell

'Cause If your songs don't have a
beat
It doesn't matter if they're
clever
No one's gonna listen to what you
say
Am I gonna be
A nobody forever?
'Cause I'm sure as hell a nobody
today

'No, If your songs don't have a
beat
It doesn't matter if they're
clever
No one's gonna listen to what you
say
Am I gonna be
A nobody forever?
'Cause dammit, I'm a nobody today

I used to dream of being famous
And ain't that going swell?
But I don't mean to sound
ungrateful
'Cause the demons treat me well

Ugh, not now Zalgamar
Can't you see, I'm singing a song!

My life's a dumpster fire
My parents are a gallon of propane
I turn to music as a way
To not go clinically insane

Hoping that anyone might listen
So far, I've only been ignored
Can I be better than this
misanthropic failure I've become
Is it worth trying anymore?

'Cause If your songs don't have a
beat
It doesn't matter if they're
clever
No one's gonna listen to what you
say
Am I gonna be
A nobody forever?
'Cause I'm sure as hell a nobody
today

I might not get good grades
Or even have a single fucking
friend
But at least (followed by nothing)

They say that life is like a
garden
I guess that makes me a weed.
They say that life is like a book,
Explains why I don't like to read.

Everyone assumes that I enjoy
being alone
Well guess what
That's... actually kinda true; I
have antisocial tendencies.

I truly think I'm smart as
Einstein
But only 'cause he's dead
How can I leave this path behind
I have as many friends as
People in this giant, empty room
And all my listeners combined

'Cause If your songs don't have a
beat
It doesn't matter if they're
clever
No one's gonna listen to what you
say
Am I gonna be
A nobody forever?
'Cause I'm sure as hell a nobody
today!

[Instrumental]

A nobody, A nobody, A nobody, A
nobody,
A nobody, A nobody, A nobody, A
nobody,
[Key Change]
Forever!

But soon, my songs will have a
beat
And soon, I'll show them that I'm
better
Everyone will listen to what I say

I'm not gonna be (He's not gonna
be)

A nobody forever! (A nobody
forever!)

Just 'cause I'm a nobody today
