

# OTCO's 2026 ANNUAL WORKSHOP/WEBINAR - EARLY BIRD FORM

OTCO's Annual Workshops provide basic and advanced presentation topics for any water and wastewater professionals needing practical information. Topics can range from operations, water quality, plant maintenance, laboratory, management, and asset management and is presented by EPA, public and private professional operators, engineers, and consultants. This is a great opportunity for attendees to connect with other water and wastewater professionals from around the state along with learning about products and services from related vendors.
