

Graduate Degree Plan of Study Form

(This form is for applicants who have not yet earned a graduate degree and do not plan to pursue the OMALS program.)

Instructions:

- Complete the tables below to demonstrate your graduate degree plan of study.
 - Include all courses you will take from Spring 2026 until you complete your degree. Add more lines as needed.
 - If you do not know the meeting days or times, write "unknown" or indicate any information that you know. (Ex: two days/week, 6 pm or later). If a course modality is online and asynchronous, write "NA" under Dates/Times.
 - Indicate the modality for each course you will take. (Ex: online, in-person, asynchronous)
- If you will not upload a graduate school transcript to your DICAS application, then combine this form with a separate file that demonstrates your proof of admission to the graduate program (e.g: offer of admission or letter from advisor)
- Upload the form as a single PDF in the "Other" category of the documents section of your DICAS application.
