

Preparation:

As an online participant, please use the instructions below that are adapted for home use. You will need two pieces of paper, a pen, and communion elements (a plain grain cracker/bread and juice/water).

Station One: On a small sheet of regular paper, write the names of people and/or communities you feel God calling you to serve. Hold these written prayers for use later in the service.

Station Two: On another sheet of regular paper, write the names of people you profoundly love. Hold these written prayers for use later in the service.

Station Three & Four: No special instructions

Station Five: Tear apart or ball up the pieces of paper you wrote earlier in the service, and discard them in the trash. Partake of your communion elements.

Station Six: Hold a minute of silence, then depart the service by closing the livestream.
