2:00-2:30 pm	BREAK			
2:30-5:00 pm	Early Release Professional Learning: Setting Up an Inquiry Classroom and How to Make Inquiry in the Classroom <i>(using the Inquiry framework to document student work) -- Required for Returner & others optional</i> <i>Further understanding the role of AUTHENTIC provocations; these are not long winded uber planned activities, but more a hook. Literacy, music, images.</i> <i>Overall goal in setting up an inquiry environment s for teachers to begin to see the role of the environment can be the third teacher. displays and centres in the classrooms to be inquirers with tools/resources needed. They should be able to make connections to the writing centres we have worked on this year.</i> <i>no more mass produced posters and teacher developed everything! Using kids input into classroom design and wall displays.</i> <i>Process as well as product displayed.</i>	ES - ES Cafeteria		

	<p><i>Using the inquiry cycle to map the development of the unit - both highlights the parts of the inquiry cycle for kids/adults as well as visually develops the unit.</i></p> <p><i>Having the inquiry cycle visible and kids identifying what they are doing at each stage will further help the teachers understand as well as hold them accountable and away from 'activity lane'.</i></p>
