

Gina Harper - Cemetery Commission (2-year)

Dear neighbors of Hopkinton,

My name is Gina Harper, and I am excited to announce my candidacy as a write-in for the Cemetery Commission 2 year seat. Having called Hopkinton my home for the past 12 years, I am deeply invested in our community's well-being and heritage.

As a parent, I understand the importance of creating and maintaining spaces that respect our loved ones and provide solace for our families. My experience as a business owner has endowed me with strong organizational skills and a dedication to serving the needs of our community efficiently and effectively.

In addition to my professional experience, I am an end-of-life doula, a role that has given me profound insight into the needs and wishes of individuals and families during their most challenging times. This unique perspective is invaluable in ensuring our cemetery is a place of dignity, respect, and peace.

Furthermore, my education from an agricultural school has equipped me with extensive landscape knowledge. This expertise is crucial for the maintenance and beautification of our cemetery grounds, ensuring they remain a serene and respectful environment for all.

I am committed to applying my skills and experiences to serve on the Cemetery Commission. I ask for your support and vote to help preserve the sanctity and beauty of our community's resting places.

Sincerely,

Gina Harper
