

1. How to move a table to a different tablespace?

```
ALTER TABLE SYS.T1 MOVE TABLESPACE USERS;
```

```
SQL> select owner, table_name, tablespace_name from dba_tables where owner='SYS' and table_name='T1';
```

OWNER	TABLE_NAME	TABLESPACE_NAME
SYS	T1	SYSTEM

```
SQL> ALTER TABLE SYS.T1 MOVE TABLESPACE USERS;
```

Table altered.

```
SQL> select owner, table_name, tablespace_name from dba_tables where owner='SYS' and table_name='T1';
```

OWNER	TABLE_NAME	TABLESPACE_NAME
SYS	T1	USERS
