

Group Work Grading Sheet

Norms <ol style="list-style-type: none"> 1. Everyone Participates - Look, lean into middle space, and listen actively by responding to your teammates' ideas. 2. Everyone Understands - Helping does not mean giving answers; focus on the many ways to show your thinking. 3. Same Problem, Same Time - No one is done with the work until everyone is able to explain your group's process and solution. 4. Team Questions Only - Wrestle with your questions as a team before the Progress Manager asks the teacher. 5. Team Talk Only - Keep conversations positive, on task, and within your team. 	Grading: The teacher will put a ✓ or a X everytime she walks by
---	--

Positive (Gets Points)	Negative (Loses Points)
<ul style="list-style-type: none"> • Body language - leaning in • Body language - eye contact • Using academic language to explain thinking • Using content vocabulary • Asks group member for help • Helps group member • Stays with group • Continuous effort • Communicating with group members about the task • Asking group members for feedback • Problem solving together • All group members are doing something • Taking turns while speaking • Checking for understanding • Using English (MLs) 	<ul style="list-style-type: none"> • Has airpods in • Inappropriate use of technology • Sleeping • Doesn't help clean up • Moving ahead without group

A - exceeding	B - proficient	C - approaching	D - needs improvement	0 - No evidence
I did a fantastic job working in groups. I was always a good group member as evidenced by my performance on today's groupwork grading sheet	I did a good job working in groups. I was almost always a good group member as evidenced by my performance on today's groupwork grading sheet	I did an OK job working in groups. I was mostly a good group member as evidenced by my performance on today's groupwork grading sheet	I need improvement when working in groups. This is evidenced by my performance on today's groupwork grading sheet	I refused to work in groups or didn't do anything
