

Subject: Engage more customers and get sales with LocalCentric

Make 5 figs from untapped niche with LocalCentric

Build 6 figure agency with new unique software

5X sales online with unique LocalCentric app

Body:

Hey there...

Let's face the truth, almost everyone now has websites and graphics sorted. All the basic online presence has been sorted.

But there's an untapped niche for local businesses yet...despite having an online presence, reputation for local businesses is also important to getting quality leads and sales.

There are businesses willing to pay as much as anywhere between \$500-\$3000 to get a solid and good online reputation.
