R.A.I.S.A Employment Record

Name: Tristan O'Neil

Date of Birth: 01/03/1998

Position: Executive Researcher

Birth: England, Suffolk St Edmunds Hospital, 01/03/1998.

Education: Nayland Primary school, Haleigh High School, Ipswich Sixth Form College, Oxford University, PhD in astrophysics.

Family: George O'Neill (Father) 47 years of age, Mary O'Neill (Mother) 46 years of age, Jack O'Neill (Brother) 25 years of age, Rita O'Neill (Wife) 27 years of age, Rebecca O'Neill (Daughter) 4 years of age, Michael O'Neill (Son) 3 years of age.

Employment Record: Prior to working in the foundation Dr. Tristan O'Neill worked for the British Space Program for 3 years starting on the 27/02/2019, during his time there he made many noticeable discoveries that put him on the foundations radar, one of these discoveries was an abnormality he discovered in space that did not conform to the known scientific principles, this was later determined to be SCP [REDACTED] and of which agents were sent to keep an eye on Dr O'Neill to ensure he didn't release information on any potential future anomalies he might encounter. Dr O'Neill further discovered an event in space which caused a spatial disturbance to take place between our dimension and an alternative one, Dr O'Neill studied this and attempted to re-create the event in a laboratory but was stopped by foundation agents. Dr O'Neill was then offered a position within the foundation.

Foundation Record: Dr O'Neill started his tenure off on Site-400 in which he studied parastronomy and thaumaturgy to assist with his desires, eventually Dr O'Neill would be transferred to Site-65 to continue his research with access to the anomalies stationed there.

Present: Currently Dr O'Neill is actively pursuing his main project 65-Shooting stars, a major multi-site project awaiting [REDACTED] approval for funding that could elevate the foundation massively and put them at a significant advantage over all other GOI competitors. Additional research topics of Dr O'Neill include studies into mythologies and stories with partial evidence of existing due to anomalies discovered and documented by the foundation that include or allude to elements of those mythologies, most notably a study into the the book of revelations from the last testament the coming of the apocalypse in which god will wage war with the devil...
