PROMOTIONAL ITEM VENDORS

IMPORTANT:

- Please contact the medical school design team before printing. The latest criteria is that the word mark "Driven to Discover" is incorporated.
- Contact Tyler- "kawul003@umn.edu" < kawul003@umn.edu> for creative assets and assistance.

NOTE:

- Orders for promotional materials, especially larger orders, should be processed through a PO after an RFQ when possible. **Avoid using personal funds**, as you risk not receiving reimbursement if the purchase is not approved.
- Carefully consider if you need the items and if they will have a meaningful impact. According to a <u>2018 BPMA study</u> about 66% of promotional items were discarded [to landfills], with 16% kept by the original recipient and 18% passed on to someone else.
- This list is user-managed and not comprehensive nor always updated.
