

MAGICLUX STUDIOS

CREATIVE TEAM — SIMPLE APPLICATION TESTS

These are short, non-paid skills tests for applicants interested in joining MagicLux Studios. They are intentionally small and are meant to show your current skills, creativity, and ability to follow a simple direction.

IMPORTANT: These tests are not production assignments. Applicants should not spend excessive time on them. **CHARACTERS MUST BE IN OUR STYLE! Our setting is the Pre Industrial era! YOU MAKE TRACE THE CHARACTER IF NEEDED.**

You can find all the character designs here!

Animation Team

What this team does

Brings characters and scenes to life through 2D animation.

Simple Test

Animate a very short action using a provided character, such as a wave, blink, head turn, or simple magical reaction.

What to submit

- A 2–5 second animation.
- Use a provided character or model.
- Any commonly used animation format is acceptable.

What we're looking for

- Clear movement
- Character appeal
- Basic timing
- Ability to follow the model

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Background Team

What this team does

Creates the places where the story happens, including rooms, outdoor locations, and fantasy environments.

Simple Test

Draw one simple location for EverWitch Academy. Choose a classroom, hallway, courtyard, library, or another school area.

What to submit

- One background illustration.
- A clear sense of space and location.
- PNG or JPG.

What we're looking for

- Perspective
- Environment design
- Clean drawing
- Atmosphere
- Ability to create a believable location

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Illustration Team

What this team does

Creates artwork used for promotional material, character art, posters, social media, and other visual content.

Simple Test

Create a simple illustration of one provided MagicLux character doing something expressive.

What to submit

- One finished illustration.
- A clear pose or expression.
- PNG or JPG.

What we're looking for

- Character appeal
- Expression
- Composition
- Personal art style while following the character design

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Merchandise Team

What this team does

Creates artwork that can be adapted for products such as shirts, stickers, prints, and other merchandise.

Simple Test

Design one simple sticker or T-shirt graphic featuring a provided character.

What to submit

- One merchandise design.
- Keep the design easy to read.
- PNG or JPG.

What we're looking for

- Clean design
- Creativity
- Readability
- Understanding of merchandise-friendly artwork

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Character Design Team OR Concept Design Team

What this team does

Character Design- Develops character appearances, outfits, expressions, and visual concepts. (Requires Full color).

Concept Design Team- Create a Colored Sketch of a character in different outfits(1-3), create prop concepts, create background Concepts, ETC.

Simple Test

Create a simple outfit concept for one provided MagicLux character.

What to submit

- One outfit design.
- Front-view drawing.
- A short sentence explaining the design.

What we're looking for

- Creativity
- Character personality
- Clear shapes
- Ability to design an outfit that could be animated

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Storyboard Team

What this team does

Plans scenes visually before animation by showing shots, character actions, and camera direction.

Simple Test

Storyboard a short scene where a character enters a magical room and reacts to something unexpected.

What to submit

- 4–8 storyboard panels.
- Simple drawings are completely acceptable.
- Brief notes for important actions or camera movement.

What we're looking for

- Clear storytelling
- Shot choices
- Readable poses
- Pacing
- Visual imagination

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

VFX / Magic Effects Team

What this team does

Creates magical spells, energy, particles, impacts, transformations, and other visual effects.

Simple Test

Design one original magic effect for a character, such as a spell circle, energy burst, magical shield, or potion effect.

What to submit

- One effect concept.
- A small sequence of 2–4 stages showing how the effect begins and ends.
- Color or black-and-white is acceptable.

What we're looking for

- Creative effect design
- Readability
- Motion ideas
- Fantasy feeling

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Writing & Story Team

What this team does

Develops scripts, dialogue, character moments, lore, and story ideas.

Simple Test

Write a short scene in which two students discover something strange inside EverWitch Academy.

What to submit

- Approximately 300–500 words.
- At least two characters.
- Dialogue and basic scene direction.

What we're looking for

- Character voice
- Dialogue
- Creativity
- Story structure
- Clear writing

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Music Team

What this team does

Creates music that supports the emotions, characters, fantasy atmosphere, and major moments of a project.

Simple Test

Create a short original musical idea that sounds like the beginning of a magical adventure.

What to submit

- 15–30 second music sample.
- MP3 or WAV.
- A simple melody or musical theme.

What we're looking for

- Melody
- Mood
- Creativity
- Ability to create an identifiable musical idea

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Audio / Sound Design Team

What this team does

Creates sound effects, ambience, dialogue editing, and other audio elements that make scenes feel alive.

Simple Test

Create a short sound effect sequence for a character opening a mysterious magical door.

What to submit

- A 5–15 second audio sample.
- Include several sounds that help tell the action.
- MP3 or WAV.

What we're looking for

- Timing
- Sound selection
- Creativity
- Atmosphere
- Clarity

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Production Team

What this team does

Keeps creative projects organized by coordinating tasks, communication, schedules, files, and team needs.

Simple Test

Imagine that five artists are working on a short scene. Create a simple task list showing what each person needs to do before the scene can be completed.

What to submit

- One simple checklist or spreadsheet.
- At least five tasks.
- Show which tasks should happen first.
- You may use Google Sheets, Excel, Notion, Trello, or a document.

What we're looking for

- Organization
- Logical planning
- Attention to dependencies
- Clear communication

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

Marketing & Social Media Team

What this team does

Helps MagicLux Studios reach audiences through social media, promotional campaigns, community engagement, and creative marketing.

Simple Test

Create a mini promotional idea for Potion Pop Magical Girl Majutsu.

What to submit

- One social media post concept.
- One short caption.
- One idea for a TikTok, YouTube Short, or Reel.
- Optional: simple promotional graphic.

What we're looking for

- Creativity
- Audience awareness
- Clear messaging
- Ability to make people interested in the project

This is a non-paid application test. Please only complete it if you are comfortable doing a short skills sample.

General Submission Guidelines

- These are non-paid application tests.
- Keep your submission simple. Do not spend excessive time polishing the test.
- Submit work created by you.
- Do not use AI-generated work for the application test.
- You may use your normal creative software and tools.
- Reference material may be provided by MagicLux Studios when needed.
- Submitting a test does not guarantee acceptance onto the team.
- Selected applicants may be contacted for the next stage of the application process.

Thank you for your interest in MagicLux Studios!
