

Dear Zealand Quest Parents,

Zeeland Quest is hosting their 2nd Annual **5k Color Run**. The purpose of our Color Run is to go beyond traditional fund raising of selling items and goods. We would rather participate in a fitness initiative that aims build community within our school and to instill a life-long healthy way of living but also get a little messy with color.

We're THRILLED about the 2nd Annual Color Run Fundraiser at our school. We're looking forward to involving each and every one of our students, families, and faculty in a fun and healthy program. We want to encourage the community and local businesses and community members to get involved.

Your student(s) have received a form requesting the addresses of family and friends. Those addresses will only be used to send out a pledge request form to help your student achieve their fundraising goal. Remember that for each form returned with 10 different names and addresses you can save \$15 on one participant's registration. That's a lot of savings! Each donation or pledge that is sent in will immediately receive a thank you postcard from Zeeland Quest, thanking them for their support of our school!

Besides individual student pledges, the school is also seeking business sponsorships. Additionally, the final color celebration run will be open to the public. The color run will be held on *June 24th, 2017* at *Ridgepoint Trails at Ridgepoint Church*. Interested participants can register for the run by visiting **zeelandquest.com** or by completing a paper registration form located in this packet prior to the event. Anyone interested in more information can contact Tom Smolinski.

Thank you for your help in making this fundraiser a success!

Sincerely,

Tom Smolinski
