Overview

Gislingham CE Primary School is a church school in the heart of the community, providing the very best for all of our children and their families, whether from the local villages or travelling in from further afield. When our pupils join our school, they are encouraged to develop a love for learning through an enjoyable, motivating and varied curriculum as well as experiencing wider opportunities such as sports, music, drama, outdoor learning and art. The school was rated as Good by Ofsted in April 2024 and the performance data remains consistently good at all levels.
