

MSABC Pre-Season All-State Selection Process

1. Any coach in the state of Maryland (High School, Showcase, Travel, etc.) can nominate a player for the Pre-Season All-State (PSAS) Team.
2. Online voting is open for one week to MSABC Members. Information about becoming a member can be found [here](#). This voting determines the first 30 PSAS Team selections.
3. All MSABC members are invited to attend our virtual voting meeting. At this meeting, any MSABC member is able to speak about any player who has been nominate. After this discussion, the final 5 PSAS Team selections are voted on.
