Are you a driven and dynamic teacher who is passionate about pedagogy and has a lust for learning?

Fulham Cross Academy Trust is the umbrella organisation which operates Fulham Cross Academy, Fulham Cross Sixth Form and Fulham Cross Girls' School

At the Academy we are seeking to find an innovative and forward-thinking practitioner to help further the success of the Personalisation department.

You will be working with our established Personalisation team which would involve providing our students with individualised intervention in order to give them every opportunity of success. Fulfilling our students' potential is at the heart of everything we do, and we strive to provide stimulating and engaging experiences for our students, challenging them to achieve beyond their expectations and supporting them to become lifelong learners. Not only is there a true sense of passion and determination, but there is a palpable sense of community in our school, something that makes Fulham Cross Academy a magnificent place to both learn and work.

Application packs are available on the TES website, via email at diane.lawson@fulhamcross.net or on the school website www.fulhamcrossacademy.co.uk

The post will be based at Fulham Cross Academy but you may be expected to work across the Trust.

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to show they share this commitment; an enhanced Disclosure and Barring Service certificate will be requested for the successful candidate in accordance with the relevant legislation.

Closing date: 9.00 a.m. on Wednesday 20th May 2026
