

**UDL Project Strand
Letter of Application
2026-2027**

This Letter of Application is being prepared on behalf of the district to indicate our readiness to participate in the Universal Design for Learning Strand of the Kansas TASN Inclusive Learning and Teaching Project for the FY27 school year. As a district, our intent is to meet the criteria listed below in order to earn the \$1200 stipend. The deadline for application is **September 1, 2026**.

District Name:

District #:

School Building:

Main Contact:

The participating district commits to:

- Create and develop a team committed to learning about and integrating the UDL Framework (minimum one gen ed teacher, one sped teacher/rep and one admin)
- Participate in the monthly PLC meetings
- Two observations and debrief meeting with UDL coaches
 - These can coincide with quarterly check-in meetings
- Check-in Meetings once per quarter
- Gather and report data, which includes completing the Implementation Rubric
- Reflect on growth and share successes

The UDL Project commits to:

- Provide a foundational UDL 101 Professional Learning Session
- Support teams in setting UDL goals, provide resources, and on site coaching
- Support strategic planning and sustainability for UDL implementation
- Host an interactive professional learning community (PLC) of participants from districts across the state to promote reflection, collaboration and mentorship
- Provide professional learning opportunities such as on site professional learning, national speakers, Practitioners' Summit, etc.
- Provide technology consultation and collaboration with the agency technology department

Please reach out to Crystal May at cmay@ucpnet.org with any questions or for additional information.
