

**Day after day the
wagons are rolling**

**Onward and
westward we ever
must roam
Roll along, roll along
covered wagons!**

**Take us safely to our
new home**

Night after night we sit round the campfire

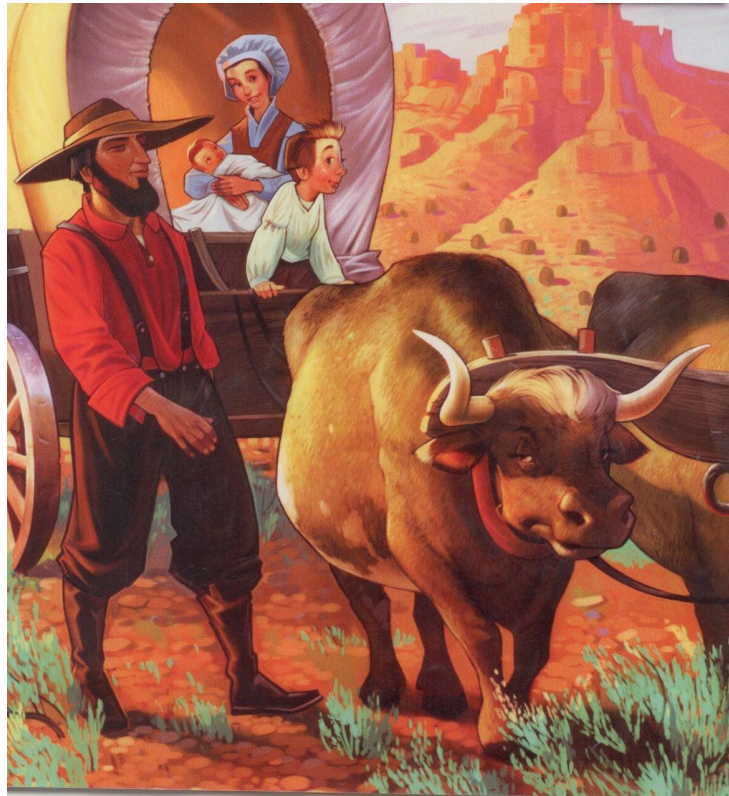

**Singing the songs
that remind us of
home**

**Roll along, roll along
covered wagons!**

**Take us safely to our
new home**

**Someday we'll reach
the land of our
dreaming**

**Settle and build on
some land of our
own**

**Roll along, roll along
covered wagons!**

**Take us safely to our
new home**
