

# State Advocacy Interest Form

Greetings FTC and FRC Mentors and Coaches!

I am Emma, one of your local FIRST Senior Mentors, here to share some exciting news with you. With the help of the FIRST Wisconsin State Advocacy Committee, we are planning to host our first ever State Advocacy Day at the Capitol building in Madison in early February.

The advocacy day will include a morning of conference sessions (tentatively starting at 8:30am) to educate teams on Wisconsin government, advocacy, and so on. The afternoon will then consist of meeting with your legislators to share FIRST with them!

As we are working through the planning process, we would like to get an estimate of interested participation so we can properly plan out the event space and food. To help us with this, please take the time to fill out this short survey after speaking to your team about the advocacy day: <https://forms.gle/mFr3YFgnuVvPsHcS6>. The form asks about estimate participation level and cost of attendance options. Keep in mind that this event will occur on a Wednesday or Thursday in early February in Madison, WI. Please complete this form for your team by **Friday, October 21st, 2022**.

If you have any questions about the state advocacy day or the form, please let me know!

Best,

**Emma Schuff**
