

Professor Schupp's Office Hours Portal - Fall 2025

Hello!

This page serves as the portal to my office hours. My office hours for this semester are:

- Mondays - REMOTE [via Zoom](#) from 1pm to 2:30pm. Please click [here](#) for the Zoom link.
- Thursdays - IN PERSON in Knapton 304 from 10:00am to 11:30am.
- By appointment at a mutually agreed upon time. I request kindly that you come to one of the above if it works, but if you have class and/or work during these times, I am more than happy to find a time that works for us both.

Office hours are open to all students and function as first come, first served. I do the best I can to keep a lookout to see if there are others waiting, but if you've been waiting for a long time, please be sure to pop your head in and let me know that you are there.

Sometimes (i.e. around exams, due dates for big assignments, etc.) there can be a little bit of a back up, but I will do my best so that everyone can chat with me.

If you can't make either time, please send me an [email](#) and we can find a time to meet that does work for both of us.

Did I ask that we meet in my Zoom personal room? Here is the link for that: [Professor Schupp's Personal Room](#)
