

Dagger of Stupidity, -2 (cursed)

(by <Brian A. Rollins: barollins@aol.com, from the "Gallery of Magical Blades, V5.0" by Christopher A. Brooks)

This cursed item (Dagger -2) decreases the user's Intelligence score by 1d6 points (predetermined and remains the same throughout the item's existence). This affliction can be removed by *remove curse* or *wish*. After it is removed, the player regains 1 point of Intelligence lost per every 2 days.
