

JagCare (before/after school) for the 2026-2027 school year. Students enrolled at JA in grades Kindergarten through 6th grade are eligible to participate in this program. Our program for this school year is full with a waiting list. Please contact Karoline Corcoran at 303-669-9140 for more information.

Jag Care provides JA students with before and after-school care in a safe, structured environment that encourages academic growth and social development.

We are licensed for 48 children in this program. We have purchased the church adjacent to the school (7777 W 99th PL). We intend to expand our JagCare program once the facility becomes available and we are able to increase staff to meet the required ratio.

In the spring, students currently in JagCare are given priority for the coming school year. A lottery is held for the remaining openings according to the enrollment priority list below.

Enrollment Priority
