Where I'm From

By Emily O

I am from caring for my hamster, my sister feeding the fish and watching
Disney on TV.

I am from Honduras where there are lots of houses and pigs in the yard. In
Glastonbury there is basketball in the yard.

I am from Honduras where we have a Burger king and you can play at Spots.
In Glastonbury there are school buses.

I am from my mom, dad, brother, sister, Tonita, Motonna, Mechil, Frayer,
Darly, Marlon, Paula, Ediu, Jersi, Mendo, Aunt, Uncle and lots of cousins.

I am from my grandma's special soup, chicken nuggets, hamburgers with
everything, frosted cake, bananas and Spanish food.

I am from my brother rapping.
