Genius Hour Self-assessment Rubric

Genius = creating and producing (from the original meaning of the word)

	Highest Expectation I couldn't have done much better.		Lowest Expectation I have some improvements to make.
Effort: How much time did you put in?	I spent a good amount of time outside of class reading, researching, and learning about my topic.	 5 4 3 2 1	I mostly just flipped through books and glanced through stuff on the internet during class. I didn't spend much time outside of class on my project.
Inquisitiveness: How motivated were you to ask questions and want answers?	I was curious and I looked up things that interested me. I'm a lifelong learner.	 5 4 3 2 1	I didn't ask many questions just for the joy of learning, and I wasn't really interested in learning new things.
Originality of Ideas: Did you create unique ideas?	I thought outside the box and used my imagination. I think of ideas that others may not have.	 5 4 3 2 1	I only thought of ideas that others thought of first. I don't like new ways of doing things. I just want to stick with the old way.
Overall Learning for Genius Hour Project	Overall, I learned a lot about my topic and I don't think I could have learned much more given the time I had.	 5 4 3 2 1	Overall, I didn't really learn much about my topic. I don't know much more than when I started my project.
Overall Quality of Presentation	My presentation was interesting and engaging for my classmates and showed how much I learned.	 5 4 3 2 1	I didn't put enough time into my presentation. It could have been more creative and engaging.
