

**Adorable set of 6 small chalkboard plaques in pink and blue**

Not everything is black and white! These chalkboard plaques are ready to point your guests to their favorite treat or to their seat. Perfect for table numbers or escort cards. They even make great childrens' party favors that will be appreciated by kids and parents alike on the ride home!

Wooden plaques are painted with a chalkboard mixture made by me. Edged with gold paint that gives them an adorably fancy look. The set includes 2 square (3.5x3.5 inches), 2 heirloom (3.5x5 inches) and 2 oval (3.5x5 inches) shaped boards.

YES, I can do these plaques in the color of your choice! Just [email me](#) for a quote!
