

## **Social Structures**

1. Describe society's attitude toward sexual orientation in Canada. How is this attitude changing?
2. Choose one of the 'isms' described on page 432 of your textbook. How might it impact career choices and/or social behaviour?
3. Describe one way in which each of the following shapes social behaviour:
  - a) culture
  - b) religion
  - c) economics
  - d) technology
