

www.lomando.com - scary and complicated, took me 2-3 months

www.superbad.com - just weird man, one sitting to find all .htmls

www.glassbeach.band/abyss/tree - quick and fun, lots of music and watching vhs tapes

<http://www.youareinaforest.com> - wait..... that's it?

<http://www.gettoz.com> get to z... takes years to beat

<https://adarkroom.doublespeakgames.com> - lots of fun if you like having fun a little i guess i don't even think you can beat this

<https://www.kingdomofloathing.com/> - fun Point-and-click multiplayer adventure, with stick figures.

<https://corru.observer> - Odd semi-text adventure featuring aliens

that's all I have for now, but I am always looking for more! i love this reddit page and community and i am happy to contribute
