

Subject: Opportunity to strengthen your relationships

Dear Friends,

As a pastoral and leadership team, we want to find more ways to enrich your lives and relationships during this time of heightened anxiety and uncertainty.

On <<DATE>>, <<Names of Leaders>> are going to be leading a virtual group for **couples** on how to strengthen their relationships. This will be a six-week, video-based discussion -- known as **RAM Series Virtual: Couples** -- that's focused on helping couples have lasting intimacy through "Nurturing, Knowledge, and Skills." Couples learn a plan for maintaining a close and fulfilling relationship. This will be hosted virtually on Zoom in one-hour segments.

Please let us know if you're interested in joining a group. We'd love to serve you in strengthening your relationships.

If so, visit their site ([click here](#)) and select "Take me to the Course" in the top right corner to purchase the content for only \$20 using promo code: communio-6. Workbooks will be shipped to you directly. You will also receive access to online video content.

Hope you can join us. May the Lord continue to bless you during this very difficult time. Please know you and your family are in our prayers.

In Christ,
