Oral Histories of the Internet and the Web

2022

edited by Gerard Goggin and Niels Brugger

Introduction — Internet histories and oral history

Section I: The internet

- (1) Tell us about... (Vinton Cerf, Steve Crocker, Abhaya Induruwa, Dennis Jennings, John Klensin, Gerard Le Lann, Paul Mockapetris and Ted Nelson), 1(1-2)
- (2) Conversations with a pioneer: Paul Baran in his own words, 1(3)
- (3) Conversation with a pioneer: Leonard Kleinrock on the early days of networking, the ARPANET...and winning in Las Vegas, 2(1-2)
- (4) Conversation with a pioneer: Larry Roberts on how he led the design and construction of the ARPANET, 3(1)

Section 2: Global perspectives

- (5) 25 Years of the Internet in Central America: an interview with Guy de T ramond, 1(4)
- (6) French memories about the ARPANET: a conversation with Michel  lie and G rard Le Lann, 3(1)
- (7) "The internet and the European market" from a multidisciplinary perspective: a "round-doc" discussion, 4(2)
- (8) The real "poor man's Arpanet"? A conversation about Unix networks with Kilnam Chon, godfather of the Asian Internet, 5(3-4)

Section 3: The web and digital cultures

- (9) Behind the scenes: an interview with Pierre Beyssac, 2(3-4)
- (10) Interfacing counterculture and digital cultures: an interview with Geert Lovink, 2(3-4)
- (11) Interview with Aleksandra Kaminska, 5(1)
- (12) "I am an engineer and therefore a radical": an interview with Lee Felsenstein, from Free Speech Movement technician to Homebrew Computer Club moderator, 5(2)

Section 4: Methods

(13) Internet histories and computational methods: a “round-doc” discussion, 3(3-4)

(14) The historical trajectories of algorithmic techniques: an interview with Bernhard Rieder, 4(1)
