The screenshot shows the Alma Start parent portal. On the left is a sidebar with navigation links: Home, Directory, Calendar, and student initials JT and ST. The main content area displays a welcome message, a calendar for the week of May 25-31, and a section for students. Two student cards are shown: one for a 2nd Grade student (JT) and one for a 6th Grade student (ST). Both cards show 'Today's School Attendance' as 'Not Taken' and a link to 'Alma Start Forms and Tasks'. A purple box highlights this link on the 6th Grade card, with a purple arrow pointing to it from the word 'OR'. Another purple box highlights the 'Alma Start' option in the top right user menu, with a purple arrow pointing to it from a purple box around the user's initials 'PT'.
