

Period 7 Norms

Community-based: be friendly and support unity

Be caring and compassionate: help others around you, be mutually respectful, judgement-free, and aggression-free with others.

Give encouragement and be supportive

Set-up that facilitates comfort, socializing, and bonding in a casual way.

Listen to others: be open to accepting advice from others, appreciate their help, disagree with their ideas instead of tearing them down, share air-time with others

Allow others to voice their opinions and listen carefully before analyzing what they said.

Have confidence and be willing to learn: be willing to try something new, step out of your comfort zone, ask questions

Don't worry about making loud mistakes; recognize we all learn from them.
