Bible Story / Teaching Time

Listen to the audio story from the Bible. Afterward, discuss the lesson in the story in connection with the Bible verse. Encourage the children to share their observations and thoughts about the story.

Based on the scriptures, explain to the children that God promised to save us from our sins by sending His Son to die on the cross for us. God also wants to show us that He fulfills His promises. Jesus has power over death, and through His resurrection, we can also come to the Father when we accept Christ.
