

Wikipedia Edit-a-thon - for in-person event in Wellington October 2022

COVID wording

To keep everyone safe please follow our COVID health and safety requirements. Our goal is to be a welcoming safe space for people including those with compromised health conditions and to ensure all measures are taken to prevent the spread of COVID and other airborne diseases.

MASKS ARE REQUIRED TO BE WORN BY ALL AT THIS IN-PERSON EVENT & PLEASE STAY AWAY IF YOU ARE SICK

If you are feeling unwell, have any Covid-19 symptoms, were recently in close contact with a person who has tested positive for COVID, or have been instructed to isolate, please do not attend.

Our event will be fully masked and all participants will be required to wear a quality N95 or KN95 mask (supplied) at all times apart from when eating or drinking. Those with a Ministry of Health mask exemption will be required to present this at registration.

People eating and drinking will manage their own safety in a variety of well ventilated spaces with the ability to social distance. Masks will be required in the main hall during all the editing sessions.

As a further measure only facilitators who have passed a negative Rapid Antigen Test (RAT) on the day will attend. We request participants to also test prior to attending and we will have tests on-site for anyone who wants to test on arrival.

Should a positive RAT test be returned the attendee will be unable to attend the in-person event and will be advised to return home to isolate.

The organisers encourage full vaccination against COVID prior to attending the in-person event.

Health and Safety

In the event of a fire ...

In the event of an earthquake ...

How to put your mask on to protect yourself. Clean hands with sanitiser, take mask by straps, place on face, shape nose band to face with both hands.

Ventilation of event location?

Supplies needed for event

Catering - Suggesting <https://shop.bluecarrot.co.nz/items/category/lunch-bags> Need coffee too?

Masks - KN95 at Pharmacy Warehouse - 10 for \$11.99

<https://www.chemistwarehouse.co.nz/buy/116910/breathe-free-kn95-respirator-face-mask-10-pack>
