Welcome to the Parental Union Parent Username Sheet!

This sheet covers the usernames of every parent in the chat, so you can more easily differentiate between which username is which.

If you need to learn a username, just select the username in the side bar. An info panel depicting all currently-known information about each character will appear, including and limited to name, child(ren) name(s), when they were added, and other usernames.

For the kids' usernames, go here:
