

Hui Wa'a Kaukahi

2025

Kayak Papio Tournament Rules

Saturday September 27th & Sunday September 28, 2025

1. Participants **MUST** check in at Registration before fishing. Waiver must be signed and fee paid or you will not be allowed to participate in the contest. You must have a life jacket at all times while fishing. VHF Radios are also required if you fish offshore more than ½ a mile.
2. Registration will open at 5:00 am. We have secured Small Group Campsite at Kualoa Ranch which can accommodate 60 people. If you have a big group/family, check with us first to see if we have enough space. You can also acquire individual campsite permits for Friday evening (September 26th to the 28th). These spaces accommodate up to 10 campers. Park gates do not open until 7:00AM.*
3. Start time is at 5:00 am, and contest ends at 2:00 pm on both Saturday and Sunday. You need to be back at the registration area by then or your catch will not count.
3. Entry fee for Hui Wa'a Kaukahi members is \$50. Non-Hui members, entry fee is \$60.
4. You must launch your kayak at the beach fronting the registration area, and return to that same beach. This ensures all fishing is conducted in the same general area.
5. Prizes will be awarded for the 3 largest Papio and for the largest other Fish Species caught. Sustainable fishing is encouraged, so **please throw back the little and large ones (Uluas). Uluas will not count for largest fish prize. You can keep them if you want to eat them.**
6. All fishing and catching must be done from your kayak. This is not a shore fishing event.
7. All other questions of rulings will be at the sole discretion of the "Tournament Fish Master".
8. **No electric or gas motors are allowed to propel your kayak.** Get in shape by paddling or pedaling.
9. Sails are allowed to propel your kayak.
