- **Topic 2** – Preparation of proposals to be submitted in 2025
- **Topic 3** – Preparation of Multiplier Event

MEETING MINUTES

- **Topic 1 – Follow-up on Publications**

A high number of publications has been prepared and submitted. Some accepted publications are currently in their finalization, following the review process. The camera-ready version of all publications related to the special issue will be completed by the end of February, and the special issue will be published in March 2025.

- **Topic 2 – Preparation of proposals to be submitted in 2025**

The following funding opportunities were discussed:

- ERASMUS-EDU-2025-PI-FORWARD-DIGITAL-AI, Topic 7: Digital education: Ethical and effective use of generative Artificial Intelligence systems in education and training'
 - o Coordinator: ICCV
 - o additional partners will be invited to join this proposal, e.g. a Polytechnic Institute from Turkey.
- COST Action
 - o Coordinator: IP Santarem
 - o Deadline: October 2025
- COVE Centres of Vocational Excellence
 - o Coordinator: Shipcon
 - o Shipcon will discuss with an expert on this topic and will report during the next online meeting.

The consortium will do some preparatory work on those proposals, which will be discussed during the next online meeting

- **Topic 3 – Preparation of Multiplier Event**

The initial program of the Multiplier event was presented, and consortium members discussed and agreed on its content. Additional event items will be discussed during the next meeting, as the program evolves.

The next online meeting has been scheduled for March 20 at 9:00 PT time.
