In MILLIONAIRE SUCCESS HABITS, Dean Graziosi tries to capture the code for becoming a millionaire through entrepreneurial activities.

The book is a good read and it definitely captures your attention as you go through it.

The book is full of interesting stories of people who beat the odds to become successful and the underlying message of "Keep going, you'll get there eventually" appeals and resonates.

The other message that comes through loud and clear is: "Everyone has problems so stop worrying about your challenges and get to work" which is inspiring.

This is a motivational book through and through and well worth reading.
