

Setting up a Chromebook is quick and easy.

Simply remove the device from its packaging, turn on the device, connect to your local WiFi, and log into the device using a student network account.

Student's username and initial password were emailed to all families in the spring.

If you are experiencing difficulties, please contact the Glenbrook Help Desk by sending an email to helpdesk@glenbrook225.org or calling (847) 486-4555.
