Transformations Custom Build

Transformations Custom Build is a distinguished, woman-owned construction company based in Austin, Texas, led by master carpenter Lakshmi Jackman. We specialize in designing and building modern, custom homes, utilizing natural materials, abundant natural light, and thoughtful designs to create luxurious living spaces that blend comfort and elegance.

At Transformations Custom Build, we are committed to delivering exceptional homes and a seamless, enjoyable building experience. Our team of skilled professionals combines creativity with efficiency, ensuring that every aspect of your vision is meticulously crafted with the highest standards of workmanship. Whether it's new construction or a whole home renovation, we provide end-to-end solutions designed to meet your specific needs.

With over 30 years of experience in the construction industry, founder Lakshmi Jackman brings a refined eye for detail developed through her extensive hands-on expertise. Her passion for creating lasting, beautiful homes is evident in every project. A respected leader in her field, Lakshmi has served on the board of NARI Austin and chaired the Women in Remodeling committee. Her work has been recognized by NARI's prestigious Tour of Homes.
