

Privacy Policy

This privacy policy governs your use of the software application Love Blocks("Application") for mobile devices that was created by Tony Pham. The Application is a free mobile app with in-app purchases, global leaderboards, and supports ads.

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is optional. However, please keep in mind that you may not be able to use some of the features offered by the Application unless you register with us.

When you register with us and use the Application, you generally provide (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, and; (e) information you enter into our system when using the Application, such as contact information and project management information.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

We may work with analytics companies to help us understand how the Application is being used, such as the frequency and duration of usage. We work with advertisers and third party advertising networks, who need to know how you interact with advertising provided in the Application which helps us keep the cost of the Application free. Advertisers and advertising networks use some of the information collected by the Application, including, but not limited to, the unique identification ID of your mobile device and your mobile telephone number. To protect the anonymity of this information, we use encryption technology to help ensure that these third parties can't identify you personally. These third parties may also obtain anonymous information about other applications you've downloaded to your mobile device, the mobile websites you visit, your non-precise location information (e.g., your zip code), and other non- precise location information in order to help analyze and serve anonymous targeted advertising on the Application and elsewhere. We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis or advertising related use.

This Application does not collect precise information about the location of your mobile device.

Only aggregated, anonymized data is periodically transmitted to external services to help us improve the Application and our service. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- If I, Tony Pham, am involved in an acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at tpmoba@gmail.com and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at tpmoba@gmail.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor to provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.
