

Privacy Policy

If we receive a refund request for an in-app purchase from a user, we reserve the right to provide Apple with information regarding the user's in-app purchase consumption. This includes the following data: time since the install, total app usage time, anonymous account identifier, whether the in-app purchase being refunded was fully consumed, whether the in-app purchase came with a trial period or not, the total amount spent, and the total amount refunded. By using the app, you consent to the practices described in this Privacy Policy. Unless otherwise defined, the terms used here have the same meanings as in our Terms of Service.

This app is developed by Marc-Philipp Neusser. Blood Pressure: Health Tracker ("we," "us," or "our") operates the Blood Pressure: Health Tracker mobile application (the "Service").

This Privacy Policy explains how we collect, use, and share your personal information when you use the Service. It also outlines your rights and choices regarding your data. This policy was created with the help of a Privacy Policy Generator and adapted for clarity.

By using the Service, you agree to the practices described in this Privacy Policy. Unless otherwise stated, terms used here have the same meanings as in our Terms and Conditions.

Information We Collect and Use

We collect various types of data to provide, maintain, and improve our Service.

Types of Data Collected:

Personal Data: When using the Service, we may ask for information that can identify or contact you, including but not limited to cookies and usage data.

Usage Data: We may automatically collect information when you access the app, including your device type, IP address, operating system, browser type, device identifiers, and diagnostic data.

Tracking Technologies and Cookies

We use cookies and similar technologies (e.g., tags, scripts, beacons) to monitor activity and enhance your experience. You can set your browser to reject cookies

or alert you when they are used. However, some features may not function properly without cookies.

Types of cookies we use:

Session Cookies – for app functionality

Preference Cookies – to remember your settings

Security Cookies – for security purposes

How We Use Your Data

We use your data to:

Operate and maintain the Service

Notify you of updates or changes

Provide interactive features when you choose to use them

Offer customer support

Analyze usage to improve the Service

Monitor performance and detect technical issues

Data Transfers

Your data may be stored and processed on servers located outside your jurisdiction, where data protection laws may differ. By using the Service and submitting information, you consent to such transfer.

We ensure your data is treated securely and in accordance with this Privacy Policy. No transfer will occur without appropriate safeguards in place.

Disclosure of Data

We may disclose your Personal Data in the following situations:

To comply with legal obligations

To protect and defend our rights or property

To investigate or prevent potential misconduct

To ensure the safety of users or the public

To respond to legal claims

Data Security

We take reasonable measures to protect your Personal Data, but no internet transmission or storage system is completely secure. While we strive to use commercially acceptable means to safeguard your data, we cannot guarantee absolute security.
