

[OLD SCRIPT!!]

I wanted to remind y'all that this script is outdated, but i already remake this one and it completed! If you wanna see it.. uhm nah LOL

I guess enjoy 🤡🥲

Context: This where Lucky star has crush with RJ

The fact they're enemies before when RJ was adopted by me, and I made RJ as Second Oc sona. Now they're friends.

Back to Story..

It was a day where RMH noticed that LS was blushing with someone..

RMH: Uhm you okay?

Lucky Star: Huh, What, Yeah I'm okay.

RMH: You sure???? Because you're blushing right now

Lucky star: !

huh... HUH- I AM??? *nervous*

RMH: yeah, it's pretty obvious that you're blushing on your face

Lucky star: damnit..

RMH: y'know I've been there before, i was just like you really, it's like i got 3 times after crushing someone.

(if you wondering who are those three, that is: Blue Heart, Paris, and Lastly Max)

(oh yeah max if you're reading this rn, yes i had crush before i had crush on you BUT this is before when i was grade 2 or 5, PLS DON'T MAD AT ME 😭)

Lucky star: 3 times??? I thought Max was your first crush??? or bf...

RMH: nah, erm... I don't wanna remember all those names, but back to topic!

who's are you crushing on? 😊 hmmm~?

Lucky star: uhh i won't say it

RMH: Come on tell meeee

Lucky star: NO

RMH: if you're saying no, then you'll definitely have a crush on Max again have you?

Lucky star: oh fuck no, y'know i already moved on with your guy jezz..

RMH: *grab her and shake* THEN WHO IS IT?????

Lucky star: OMG FINE COULD YOU JUST STOP SHAKING ME 😭

RMH: oh okay good :-> so who is itt??

Lucky star was about to say until RJ just came in

RJ: Hey guys!

Lucky star: !

LITERALLY GOES JUMPSCARE + BLUSHES

RMH: oh hey RJ

Lucky star: h-h-heyyy RJ

How is your day?

RJ: I'm good, i just came back my work and i heard you two screaming at there

Lucky star: o-oh- sorry about that, were just talking about something personal about it

RMH: *stares at LS and flabbergasted*

also insert here vine boom

RJ: oh alright i guess imma just go somewhere else, cya!

Lucky star: c-cya!

RMH: oooo~ i think i know who is it~ 😊

Lucky star: augh would you just shut up- jezz.. it's not like i like her so much

RMH: heh yeah right, good luck for confession~

Unaccepted this part

RMH: !

I have an idea.. 😊 (her pov)

WAIT RJ COME BACK HERE!! i have to tell you something

RJ: hm? alright *walks to RMH*

Lucky star POV: *nononono what the hell she doing shit-*

RJ: Okay partner what is it?

RMH: so uh lu-

LS was going to grab RMH and cover her mouth as soon when RMH gonna tell to RJ (fuck my grammar)

LS: you better... NOT.. tell her that I have c. r. u. s. h. on her...

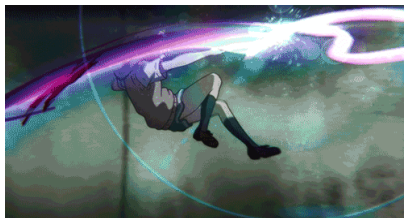

RMH: *remove LS hands* (CAN'T ENGLISH HELP) heh.. I won't..

unless.. you have dual with me (bro i feel my ocs become villain 🦴)

LS: great.. this gonna be just like when we fight each other before, but fine it's on..

RJ: ????? what the heck just happened 🦴😭

insert epic fight LOL (rmh idea is just makes this thing out of nowhere 🦴😭)

LS pov: that's it, it's time to show new skills..

As LS showed new power to RMH the Eyes lasers targeting to RMH

RMH: WOAHH- WAIT WHAT!?! IS THAT NEW POWER???

LS: Yeah haven't you seen it before?

RMH: it's first time seeing enemy person has power like that 🦴😭

LS: Heh.. have you seen this power before? *LS duplicate herself into 10*

RMH: ohhh.. so this what you get... heh.. let's see what i can do.. *grabs another one her second hammer*

Continues fight 🦴

(i couldn't find fighting using weapon hammer gif or I'm just too lazy for it LOL)

I'm skipping this part bullsht because I'm too lazy to put something stupid script i wrote 😊

OKAY-

As soon RMH almost gave up while LS still flying, RMH got idea 💀 so she throws rock to her and RJ goes teleport to LS and protect her

RJ:

LS: *blushes when RJ just protect them* 😊

RJ: RMH i think you went too far for this
it's like you're becoming enemy right now

RMH: hm.. you're right

her weapon went disappear

I think i went too far for this and I surrender myself, you won for this dual

wink at Lucky star that this whole time that rmh was trying to get close together between RJ and LS

RMH ~~staying~~ walks away.

While RJ and LS still holding/close together (awww 😊)

RJ: Are you okay?

LS: y-yeah, I'm okay and thanks for protecting me!

RJ: No problem

Awkward silence moment.. 💀

RJ: So uhh i guess i should go back to my work cya LS!

LS: c-cya!

END SCRIPT

AYAW KO NA

(I'm getting cringe by writing all of this 😊 NO IT'S NOT BECAUSE OF GAY IT'S GRAMMAR LOL AND THE LORE KINDA SUCK TO ME 😞)

My Comment with this Script

At this point I disagree with this script part because it doesn't fit well. Like-

- First of all RMH is being the enemy in this scene, like can't she think anything else than like this? It's stupid and unnecessary for me. Plus RMH is supposed to be the main character right here while Lucky star is the enemy.
- Second of all, I don't like the way RJ got mad at RMH because Lucky Star got hurt so much all because stupid RMH idea 🤡
- The reason I don't like the way RJ gets mad at RMH is because RMH is supposed to be her best buddy like her partner and RJ never gets mad at RMH really 😭.
- To be honest i feel like RMH got switched personality Lucky Star and Lucky Star is started beings so nice and almost becoming just like RMH past when she had crush someone
- Too Much bad grammar, some lazy part, bad at fixing all of this and also some part just made by.. idea scenarios 😭🤡

yeah i hope you get this some point 🤡😭
