Summer Work for 26-27 school year can be found [HERE](#)

Parking : We are excited to announce that Parking Permit applications for the 2026–27 school year will be accepted beginning **Tuesday, July 21**, using the same FamilyID system used to register for athletics. Parking permits will be available for \$70 for the 2026–27 school year.

Please use the following link to register: [FamilyID HBHS 2026–2027 Parking Registration](#)

Parking spaces will be assigned according to the following priority:

- Students with a current, valid driver's license. No parking permit will be issued without a copy of the student's driver's license. ***Please ensure that a current version of the license is uploaded, as an outdated or missing license will delay the issuance of a parking permit.***
- Seniors with no outstanding obligations who register during their priority registration window.
- Juniors with no outstanding obligations who register during their priority registration window.

Students with outstanding obligations—including overdue library books, negative lunch account balances, unpaid fees, unreturned athletic uniforms/equipment, or other outstanding items—will be placed at the bottom of the list until all obligations have been resolved.

Outstanding items may be returned to the main office during normal Summer Office Hours (Monday-Friday, 8:00am - 2:00pm). We encourage students to resolve any outstanding obligations as soon as possible to avoid delays in receiving a parking permit.

If you are unsure whether you have any outstanding obligations, contact Elana Ayer in the HBHS Main Office at elana.ayer@sau41.org before parking registration opens.

As a reminder, parents/guardians must complete the District's annual Back-to-School PowerSchool Registration before a parking permit can be issued.
