Student Name: *Current Date:*

Kinesiology <u>MS Thesis</u> Progress Report for Calendar Year <u>2024</u>
(Begin KIN MS between Fall 2021 to Spring 2023)

Date Entered Program: Advisor Name:

- Student should complete/update Sections 1, 2, and 3; save and send an electronic copy to Advisor.
- Advisor will fill in Section 4 and meet with student to discuss progress and goals.
*- Advisor must forward <u>electronic copy (only)</u> of completed Progress Report to Graduate Program Director no later than <mark>**1/27/2025**</mark>*
- Be sure that student's last name is included in the filename for this document!

☒ *copy and paste this to "check" boxes*

1. Scholarly Activity Update (use as many continuation pages as necessary)

---

*Under each heading, student should list activities <mark>since entering</mark> the UMass-Amherst graduate program, with the activities of the <mark>**past year highlighted in bold text**</mark>.*

<u>Presentations</u> (date; institution/department and title; OR conference, location, full abstract citation, platform or poster?)

<u>Manuscripts</u> (indicate accepted, submitted or drafted; title, authors, journal, date)

<u>Grant & Fellowship Applications</u> (submitted, awarded; title, agency, amount, dates)

<u>Honors & Awards</u> (nominations & awards; title, agency)

Revised 12.23.2024 JRS

2. Kinesiology MS <mark>Checklist</mark>

Area of Concentration

□ Biomechanics   □ Movement Neuroscience
□ Physiology   □ Physical Activity & Health

Required Coursework (23 credits):   <u>Course, Semester(s) Completed (Grade)</u>
□ Kin 602 (3 credit)   .
□ Statistics (3 credit)   .
□ Grad Seminar (1 credit, 4 times)   .
□ KIN Journal Club (1 credit, 4 times)   .
□ Kin 500 - 800 level class (inside) (3 credits)   .
□ Kin 500 - 800 level class (outside) (3 credits)   .
□ Kin 500 - 800 level or Cognate class (3 credits) .

Options (9 credits each)   <u>Semester Completed (Presentation Date)</u>

□ **Thesis Option**
         □ Proposal (3 credits): Kin 698A   .
         □ Thesis (6 credits):   Kin 699   .

Title:

| Total Credits Needed = 32 | **Credits Earned to Date =**   [   ]

3. Student-Generated Timeline & Comments

In this section, student should list projected timeline to degree completion, with estimated completion dates for important milestones (e.g., completion of coursework, Proposal, Defense). Student should add comments, if desired.

□ Completion of Coursework –
□ Committee Selected and GPD notified –
□ Proposal –
□ Defense –

Have you discussed your progress in the program with your advisor, including any factor(s) related to or not related to COVID-19 that may be impacting your time to degree completion (i.e., research or coursework)?

□ Yes
□ No

If Yes, did you and your advisor discuss strategies to get back on course.

4. Advisor Comments (to be completed by Advisor)

- Indicate date of meeting with student to review progress and goals. Add feedback/comments, as appropriate.
*- If student is progressing satisfactorily, Advisor should check box below. If advisor does **not** wish to check box, explain rationale below in comment section.*
- When completed, advisor needs to forward electronic copy to student and GPD

Date of Meeting with Student:

Highlight one of the following boxes

1	2	3	4	5
Unsatisfactory Progress	**Making Progress, but much slower than expected; improvements needed in several areas**	**Making Progress, but slower than expected; improvements needed in a couple areas**	**Making Progress, but a little slower than expected; improvements needed in one area**	**Satisfactory Progress**

1. **Unsatisfactory Student Progress:** If you selected this, work with your student and the GPD to develop realistic goals to get back to satisfactory progress

   2, 3, or 4. Slower than expected Progress: If you selected one of these options, clearly articulate why/your expectations, and work with your student to develop plans to achieve satisfactory progress goal

2. **Satisfactory Progress:** No additional comments needed

Note – this section has been updated to expand on Satisfactory/Not Satisfactory options. Please inform the GPD if you have any questions, comments, edits, or concerns about this updated section.
