

#4 How God Heals Your Soul

We are talking about the subject of conquering in the soul to see the restoration of our soul. We have talked about general scriptures about how the soul gets damaged and of areas of sin, we have talked about specific things of how the soul gets damaged and how we need to correct all those areas in our life. Tonight we are going to talk about how God heals your soul, our soul must get healed and restored.

1Thess 5:23 And the very God of peace sanctify you wholly; I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ. (We are to be sanctified wholly, perfect and complete in all respects this means the whole person and that means your spirit soul and body is to come to the place of being preserved blameless. Well, in doing so we must see that our soul gets healed and gets delivered and gets it free as we are to be blameless to the coming of the Lord Jesus Christ. Now the reason why our soul needs to get healed from all the damage and the problems that we see coming into it is because of sin as we have seen).

Psa 41:4 I said, Lord, be merciful unto me: heal my soul; (Why do I need it healed?) **for I have sinned against thee.** (God wants to heal, and deliver your soul, set it free from all the effects of sin. Sin has damaged your soul).

Pro 8:34-36 Blessed is the man that heareth me, watching daily at my gates, waiting at the post of my doors 35. For whoso findeth life, and shall obtain favour of the Lord. 36. But he that sinneth against me wrongeth his own soul: (He is damaging his own soul) **All they that hate me** (Which would be someone who is walking in sin against him) **love death.** (Because the wages of sin is death. Sin wrongs our soul, damages our soul and causes problems. We have talked about this in many ways and how sin occurs in order to cause this damage. We must make corrections, and we must see God bring restoration).

Pro 21:23 Whoso keepeth his mouth and his tongue keepeth his soul from troubles. (Well, it means we need to be guarding our mouth and our tongue. If we do that we will be guarding our soul from all kinds of troubles. So that means wrong words have affected you and have done damage in your soul. The thing that will affect you and cause damage is because you have heard the wrong doctrine, and have not believed the truth, and have been deceived by false teaching).

Acts 15:24 Forasmuch as we have heard, that certain which went out from us have trouble you with words, subverting your souls, saying, Ye must be circumcised, and keep the law: to whom we gave no such commandment: (Well, that was the Old Testament, that means that anybody who is speaking anything which is contrary to the truth of the word of God from the New Testament standpoint that we are in it will be subverting your souls. You cannot allow that to

come into you, and that produces the wrong doctrine which will produce your wrong way of perceiving things, choices you will make, actions, and beliefs that you will have, and of course, we will not see God bring forth what a purpose is in our life. We also have to correct all the wrong thinking because sin has messed up the thinking as well).

Psa 42:5 Why art thou cast down, O my soul? and why art thou disquieted in me? hope thou in God: for I shall yet praise him for the help (Of his salvation, deliverance, victory) **of his countenance.** (He will bring it forth for us).

Psa 42:11 Why art thou cast down, O my soul? and why art thou disquieted in me? hope thou in God: for I shall yet praise him for the health of my countenance, and my God. (God wants to get us free in the area of our thinking. Why do we get cast down, get depressed, get discouraged, and be negative in our thinking? Wrong thinking will cause damage to your soul. We see another thing, wrong actions will do it as well).

Pro 6:32-33 But whoso committeth adultery with a woman lacketh understanding: he that doeth it destroyeth his own soul. (He is bringing destruction to his soul) **33. A wound and dishonour shall he get; and his reproach shall not be wiped away.** (These are wrong actions, and are going to damage your soul and cause all kinds of problems. Sin will cause an unstable effect in your soul).

2Pet 2:14 Having eyes full of adultery, and that cannot cease from sin; beguiling unstable souls: (If you have an unstable soul you can easily be tricked by the enemy, and you can be damaged in all kinds of ways. We need to get our soul stable, aligned with the word of God, and we need to get ourselves healed and delivered. The damage that comes in from wrong words, wrong doctrine, wrong thinking, wrong actions and sins of all types will produce unstable souls, damaged souls, souls that need healed and delivered. Where does the damage first come from? Actually the damage in your soul first came from your inheritance, you must understand that you are affected in your soulish realm from what has occurred in the inheritance line).

Lam 5:7 Our fathers have sinned, and are not; (Meaning they passed on) **and we have borne their iniquities.** (Well, this means whatever kind of sins they have committed you have borne their iniquities, and these curses are enforced by evil spirits that come down the line, and came in at the time of conception. As your forefathers had problems with anger, bitterness, maybe they were fearful, anxious, timid or maybe they had problems with depression, all kinds of mental things going on, maybe they had a lot of problems with a lot of sexual sin or maybe addictions of all types. Why do people have the same problems as their inheritance line? Because the spirits came in at the time of conception, and they are affecting your soul. We have all seen the child that is full of fear and timidity, and yet we have seen another one as rebellious and disobedient as ever. Then we might see another one you know he is depressed and he is not thinking correctly,

his mind has problems learning, and you find out why that child had that from day one. From the inheritance line, the sins from the forefathers are visited upon the children we have borne their iniquities. We must understand that this has come down the inheritance line not from just one generation).

Num 14:18 The Lord is long-suffering, and of great mercy, forgiving iniquity and transgression, and by no means clearing the guilty, visiting the iniquity of the fathers upon the children unto the third and fourth generation. (You must take a good look at your inheritance line through the mother's line to the father's line going back as much as you can discover three and four generations back. What you see coming down the line is affecting you depending upon what makes you get, everybody gets a certain mix coming from the line. We might get more from the mother's side or from the father's, or a combination of both. Who knows what you might be more like the grandfather or the grandmother, I have seen lots of people skip a generation things can happen, and then you are like the next two generations down, there were all types of combinations that occur. Well, if you see these problems then you know why you are having the same problems, because of inherited generational iniquity curses. So these spirits are going to influence your soul. If you have spirits of anger they are going to work at you to get you to be reacting in your soul getting angry. If you have lots of rejection that will cause you to not only feel rejected they would even draw rejection to you, and that will cause more damage and hurts and wounds in the soulish realm. There also are 10 generational curses, and we see that this generation, the last couple of generations have really seen this increase).

Deu 23:2-3 A bastard (Which is the illegitimate child, and a great number of children have been conceived out of wedlock in the last couple of generations) **A bastard** (Illegitimate child) **shall not enter into the congregation of the Lord; even to the tenth generation shall he not enter into the congregation of the Lord.** (He has a 10 generational curse affecting him. The Ammonites or Moabites are a product of incest) **3. An Ammonite or Moabite shall not enter into the congregation of the Lord; even to their tenth generation shall they not enter into the congregation of the Lord for ever:** (This curse has the effect of hindering you from coming to the Lord, and even after you come to the Lord it hinders you from entering into the things of God. It just seems like you have a hard time moving forth in the things of God. I have seen lots of people seem like they are in and out and they are kind of moving with God, and they seem to fall away so easily because of this illegitimate curse, it hinders you from entering into the things of God in all kinds of aspects, and of course there will be the sexual sin for sure because it is an illegitimate curse or the ancestral curse will be sexual spirits that will be in that person driving that person even at a young age to get involved in sexual sin, and of course, that is going to do all kinds of damage to them. It could even drive people to molest you, and draw ones that have the same or similar spirits to get you to enter into evil things in your life. You must understand that every curse that occurs has a cause, things just do not happen).

Pro 26:2 Is the bird by wandering, as the swallow by flying, so the curse causeless shall not come. (And these are spirits that are enforcing curses that are affecting your soul from the inheritance line, there is a cause for every single curse whether we realized it or not. You may not be able to pinpoint but for some reason or another that open door has been there. So evil spirits will come into you to affect your soul from the inheritance, and cause all kinds of problems. We need to cast out those spirits, and get healed and get delivered from all the effects. The devil will also of course, work from the very beginning of your life to try to work anyway to try to do damage to your soul, and so we need to recognize what has happened).

Psa 7:1-2 O Lord my God, in thee do I put my trust: save me from all them that persecute me, and deliver me: 2. Lest he tear my soul like a lion, rending it in pieces, while there is none to deliver. (The enemy has really worked hard especially at children when they are young to cause all kinds of problems, whether it is physical abuse, mental abuse, verbal abuse, sexual abuse all kinds of trauma, being controlled being dominated, being put down being over responsibility, coming into Jezebel control or being the opposite, all kinds of things. And he wants to get to your soul and tear it apart, and cause all kinds of damages in the soulish realm that is a work of the enemy to fragment your soul).

Psa 7:5 Let the enemy persecute my soul, and take it; yea, let him tread down my life upon the earth, and lay mine honour in the dust. (That is what the enemy seeks to do. Well, we have to get healed and delivered, and set free from all of these effects).

Psa 56:2 Mine enemies would daily swallow me up: for they be many that fight against me, O thou most High. (That is right, the enemies have been watching you throughout your life working to try to get to you in the soulish realm causing emotional problems, mental problems that affect your will. They try to get you to make wrong choices that can affect your life. You know the enemies are out there working).

Psa 56:5 Every day they wrest my words: (They want you to speak wrong words, and words of course, will damage your soul remember) **all their thoughts are against me for evil.** (Same thing, if you have wronged thinking that will damage your soul. You will be making wrong choices because of that, their thoughts are against you for evil) **6. They gather themselves together, they hide themselves, they mark my steps, when they wait for my soul.** (Because the battleground is in the soul and the enemy has to take you down in the soul if he is going to be successful against you. He has already got your body in the sense that sins dwell in your body but he has to get to your soul where your choices are made, and where your thinking process is, and your emotions. He wants those emotions to be all beat up, and damaged so they will dominate you in the way you deal with situations. This is the work of the enemy, they are waiting for your soul, and they want to bring hurts and wounds and damage).

Psa 71:10 From mine enemies speak against me; for they that lay wait for my soul take counsel together. (They will).

Psa 71:13 Let them be confounded and consumed that our adversaries to my soul; let them be covered with reproach and dishonour that seek my hurt. (All of the hurts, wounds, damage, emotional devastation that has occurred in your life, it has been a work of the devil. Well, it was through people but they were just a vessel of the devil. The devil will work through them in order to get to you in order to cause damage to you. They want to hurt you, they want to damage you, they want to injure, they want to wound you, and cause all kinds of problems. Well, we cannot allow that to go on. If you are going to come to the place of being blameless, and you are going to come to the place of being whole your soul is going to get healed, and delivered).

Pro 18:14 The spirit of a man will sustain his infirmity; but a wounded spirit who can bear it? (Now, in the New Testament we got a brand new spirit, the spirit of Jesus Christ but where is the wound still at? They are in the soul, the wounds who can bear, who can handle them they are going to keep on working at you until you get healed and delivered, and set free from them).

Pro 17:22 A merry heart do with good like a medicine: But a broken spirit (Again it would have been from a New Testament standpoint, a broken soul when it has been all broken, beat up by the enemy) **drieth the bones.** (Remember as your soul goes so does your overall prosperity and your health. We saw that in 3 John 2. Over in Proverbs 15 this is why you have to keep a merry heart in you).

Pro 15:13 A merry heart maketh a cheerful countenance: but by sorrow of the heart (Or in the soul as well it would be) **the spirit is broken.** (Well, notice that "Sorrow" refers to pain, hurt, injury, sorrow, wounding in your life. What kind of wounding has occurred? We just do not cover it over, we do not just suppress it, we just do not yield to it anymore it is not going away That is why you react the way you do, that is why you respond the way you do. That is why your outlook is set in certain ways because of the things that have come into you. You have to get healed and delivered, and set free from it).

Pro 18:8 The words of a talebearer are as wounds, (Wounds can hurt you) **and they go down to the innermost parts of the belly.** (They are wounds, they will do damage to you, they will cause all kinds of destructive effects, and until we cast out those spirits because the spirits is what has come into you that is how the devil works in order to bring destruction. So the result of all these effects of sin and sins against you, inherited generational all these things, what has it done to your soul? It has imprisoned your soul. Many people today are imprisoned in their soul, that is why they cannot do the things they want to do, they have not gotten healed and delivered yet).

Psa 142:7 Bring my soul out of prison, (Our soul has to come out of prison. Any imprisonment in your life whether it has been there from day one or from things that have occurred in your life, God wants to bring you out of prison) **Bring my soul out of prison, that I may praise thy name:** (And you might accomplish the things that he wants for you. God wants to restore you totally).

Jer 30:17 For I will restore health unto thee, and I will heal thee of thy wounds (This is his promise for us) **saith the Lord; because they called thee an outcast,** (That is for all the ones could have been rejected, shunned, forgotten, you are not important, all those kind of things that has happened to so many people which damaged them. Well, we are not going to let ourselves be in that state, we are going to get restored and get healed of all the wounds, they must be eliminated in our life).

Psa 147:3 He healeth the broken in heart, and bindeth up their wounds. (All the pain, the heart, the injury, the sorrow. God is the healer, he wants to heal you and set you free, and that is the ministry that Jesus Christ brought forth. As the gospel was coming forth he bought the manifestation of the deliverance and the healing to the captives).

Isa 61:1 The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; (He preached the good things also) **he hath sent me to bind up the brokenhearted,** (The ones that have been broken in pieces, the ones that have been crushed and bruised, wounded and damaged) **to proclaim liberty to the captives,** (Those ones that are captive in that prison) **and the opening of the prison to them that are bound;** (We are going to come out of all imprisonment, everything in you is to come up to come out that is not of God. God wants everything out that is affecting your will, your emotions, and your mind which is all of that going on in the soulish realm. Well, we see over in Luke 4:18 Jesus when he stood up and he began his ministry he declared this because this is what he came to do).

Luke 4:18 The Spirit of the Lord God is upon me; because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, (The guy that has been broken in pieces, and damaged) **to preach deliverance** (This is released from bondage and imprisonment because our soul has been imprisoned, we have been in bondage. To preach the release from bondage or imprisonment) **to the captives,** (God wants you coming out of all captivity in your life. Nothing is to be in you hindering you holding you captive) **and recovering of sight to the blind, to set at liberty** (This is the same word that is translated "Deliverance" it is the same word "Af-es-is" meaning "Released from bondage or imprisonment") **them that are bruised.** (Those that have been bruised, and beaten down, and broken up in all kinds of ways. Shattered, damage has come into your soul. Deliverance is going to bring you out of captivity, deliverance release from bondage and imprisonment is going to bring you out of all the bruising, and all the damage. That is what God wants to accomplish and he will do it. Of course, remember that all this has occurred because of sin, that is why our soul got messed up. "Heal my soul for I have sinned

against thee". It means we have to deal with the sin, we have to deal with the cause of these problems especially if there are things we have done ourselves or have been done against us or the way we have reacted to what people have done against us, those are areas of sin that have to be dealt with as well. But also then we have to get rid of what is enforcing these problems, these curses, this destruction because the sin is one thing, what came in from the sin is another thing, and those are the evil spirits. The demons come in from the sins, from the inheritance line, from your own sins, from sins against you, from people who have done evil things to you, and those spirits came into you, and they have to be cast out. So God wants us to get our soul restored. Well, number one what are we going to do about this inheritance line? Well, we have the authority to remit the sins, which means to send away the effects of those sins. That means we do not have to be held captive by this any longer. You know the devils can operate because of sin, that gives them a right you see. In the inheritance line they have come down that line).

John 20:23 Whose soever sins ye remit, (Or send away) they are remitted unto them; (You and I have authority to remit sin, send away the sins of the forefathers and all the preceding generations they have influenced us that has caused us to be in bondage especially in our soul from the evil spirits that have come into us. So we are going to remit all the sins and iniquities of your forefathers in all preceding generations that influenced your life which deals with the cause of it. Of course, that does not get rid of the spirits. Remember that is just one thing, you are also going to have to cast out all of the demons that have come in as well. And of course how about the sins that we have committed?) **and whose soever sins ye retain, they are retained.**

1John 1:9 If we confess our sins, (We "Might" confess our sins, it is a subjunctive mood, there are three subjunctive moods here) **If we (Might) confess our sins, he is faithful and just to** (That he "Might") **forgive us** (Not "To" forgive us) **That he might forgive us our sins,** (If we meet the conditions meaning there are some conditions not just saying it is a sin, there is more conditions than that to be forgiven) **and to** (that he "Might") **cleanse us from all unrighteousness.** (That again is a subjunctive mood these are not infinitives, it is a poor translation it is a subjunctive mood verb) **That he might cleanse us from all unrighteousness.** (And if we are going to get healed we have to get rid of all the effects of these sins. These sins have to be eliminated in our life, and all the unrighteousness. This is the effects of it, all the uncleanness that has come into us, the damage that has come in the soulful realm. It all has to be rooted out. If we confess our sins, does that mean we can continue in them, and think we are going to get restored and healed, and set free? No way, we are going to have to turn away from these which means there has to be a Godly sorrow that works true repentance in your life. We cannot just confess the sin then go back and perform the same thing again).

2Cor 7:10 For godly sorrow worketh repentance (A change of mind, change of mind so you do not continue in the sin any longer. You stop it, you cease, you resist it from now on. You are not giving place to it, you change your mind, you are now going to walk in the way of the word of

God. It will produce the deliverance that is being set free, the healing and the restoration in your life. That is what it will accomplish but it takes a godly sorrow that works true repentance to the point where we turn away from the ways of sin. And of course, how are we going to know that is going to be so? Well, it is going to be shown by our actions. Remember one of the foundational principles in Hebrews 6:1 is the foundation of repentance from dead works).

Hew 6:1 Therefore leaving the principles of the doctrine of Christ, let us go on on to perfection; not laying again the foundation of repentance from dead works (Meaning we are not going to be doing these things anymore, we are going to change our ways. This is not going to get you delivered and healed of it yet, this is the first step in order to make the changes so you can get healed and delivered. You have to turn from that sin, and not give place to it any longer. There must be a repentance, a change of mind which means a change of action from those dead works. We cannot be walking in these ways that are contrary to the word of God any longer. And if you have a true change it is going to be shown by your works not by just giving lip service to something but it is going to be shown by action) **and of faith toward God.**

Acts 26:20 That they should repent (Change their mind) turn to God, (So now you have your focus on a different thing instead of walking in ways that are contrary to the word) **and do works meet for repentance.** (Or showing forth worthy of repentance. Otherwise, you are going to show it by your works by the things you do and carry on. And not just your works once in a while or your works for a moment, works that continue. Why do we say that? Matthew 3 tells us another thing that is important to know).

Matt 3:8 Bring forth therefore fruits meet for repentance: (Does fruit come in as soon as you turn around, and stop doing something? No, fruit is the result of seed sown in the ground that grows and develops, and then produces the new fruit. Well, that means we are not just going to have a turnaround from those works in a little bit, we are going to continue to turn around to make sure that we are walking consistently with those works that are going to produce fruits in our life. A track record, walking in the ways of the Lord. If you are going to get your soul healed and delivered we have to come to the place of a true godly sorrow that works repentance that we are turning away from these things. Many people just want to get delivered and cast out the demons without dealing with the problems, and really, to a godly sorrow that works repentance, they get nowhere. Then they say that deliver did not work because I still have the same old problems well, it is not so deliverance always works but you have to do everything else that is necessary if you are going to see the victory you have to deal with the sin, you have to correct the problems, you have to come to a true godly sorrow that works repentance to turn away from all these things, it is mandatory. Also if you were going to get set free from things, maybe you have a lot of hurts and wounds, and damage from what might have happened when you were young. From what your father might have done, your mother might have done, brothers, sisters, Aunts, Uncles relatives, cousins, who knows children around the neighborhood, all different kinds of things that

might have happened to you, strangers who might have done evil stuff to you. We have to forgive, we have to let it go).

Matt 6:14-15 For if ye forgive men their trespasses your heavenly Father will also forgive you: (You may have been damaged, you may have been abused verbally, mentally, sexually, emotionally, different things may have happened to you. You have to forgive the person, if you will not forgive your heavenly Father as you see in the next verse) **15. But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.** (We have to let it go, let go of the anger, let go of the bitterness, let go of all these things. Put these things away we must forgive every single person. If you do not then what is going to happen? You are not going to get set free. The guy who will not forgive what happens to him? He ends up being turned over to the tormentors. Remember in Matthew 18:34 where the man was forgiven of a great debt but then he would not forgive someone of a small debt. God's forgiveness of all of our sins and yet we will not forgive someone of a sin they committed against us).

Matt 18:34-35 And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him. (The tormentors are the demons) **35. So likewise shall my heavenly Father do also unto you, if ye from your hearts** (It has to be genuine) **forgive not everyone one his brother their trespasses.** (Every person, this is talking about the brother but certainly it would apply for any person. We must forgive every person who has wronged us or hurt us at any time in our life, and let it go. Otherwise, not only will we not be forgiven by our heavenly Father but there is no way you are going to be able to cast out those demons if you are holding unforgiveness against the person. Those demons have a right to be there because you have allowed them to because of the sin. You have to let go of that anger, let go of that bitterness, let go of that resentment, let go of that hatred, you cannot have that the demons will stay in you, and your soul will stay wounded, and you will have all kinds of problems occurring in your life. We have to shut down all areas of sin of course. What happens if we continue in sin? We give place to the devil).

Eph 4:27 Neither give place (This means a place of residence, an inhabited place) **to the devil.** (In the context this is talking about the guy who was angry) **26. Be ye angry, and sin not:** (Would be a righteous anger, a fleshly anger would be a sin) **let not the sun go down upon your wrath:** (Even if it was a righteous anger which means if he did not deal with it properly he would be giving place to the devil, and allowing the evil spirits to come in. We must forgive, we must not give place to the devil, we must correct every problem in our life and come in line. Now remember forgiveness is done at the point of obedience to the word of God at your will, and choosing to do what is right. It has nothing to do with your emotions, I do not feel like forgiving them, I do not want to forgive them. Those are all soul realm wrong attitudes, they have to correct that. You forgive them, and after you say, "Well, I forgave them and I still have these feelings or these thoughts" that is all because of the demons that are in you, you are not free yet,

you have not been healed, and restored just because you did genuinely forgive them. A lot of people say, "Well, I forgave them. I wonder why I keep having these problems" so I forgive them, they end up forgiving someone 20 times over you know, and they are still not free, because they did not know about casting out the demons. You have to cast the demons out that are causing the problem, and you have to not think that when you have a thought come back, does that mean I went back and done forgiveness again? No, not necessarily not unless she gave place to it, the demons though give you feelings, and thoughts about the attitude so you think you have gone back to it. Do not fall for that lie as long as you have not given place to it, and you have not fallen back into unforgiveness. But you have all these demons in you, and they must be cast out. Also we have to get everything right James 5:16).

James 5:16 Confess your faults one to another, (Well, if there are some things you have done, and you may need to confess that fault to another person to make things right. Do not just kind of let things go, if you did something that was wrong to a person confess that fault to that person) **and pray one for another, that ye may be healed.** (So if you do not deal with the fault are you ever going to get to the place of being healed? No, we have to deal with things. And suppose someone has done something to you?).

Matt 18:15-17 Moreover if thy brother shall trespass against thee, (What do you do? You want to go and talk to him about it) **go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother.** (Well, that is good, that means he is going to respond to this situation that you bring up to him) **16. But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. 17. And if he shall neglect to hear them, tell them to the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican.** (So we do need to talk to someone about the problem, do not just let things go, we need to confront them. Of course, the object is to see them come to the place of repentance and say things be restored, that is what God wants. Now, regarding the things of the inheritance line, you say, "Well, I do not know what all is happened in my inheritance line" well, we do need to discover the iniquity roots because that is why you are in captivity).

Lam 2:14 Thy prophets have seen vain and foolish things for thee: They have not discovered thine iniquity, to turn away thy captivity; (That means there is an iniquity root to your captivity. If you do not discover the iniquity, how are you going to turn away the captivity? You will not be able to because you have not dealt with the cause of it. Remember the curse causeless shall not come, that is why you want to take a look at all the things from your inheritance line. You also want to look at the things that you have done. You may have just forgotten all about that, you need to thank the Father for the Holy Spirit to bring to your remembrance any and all iniquities, things that you have done in areas that have opened up the door for the enemies to come in that it brought you into captivity. Or anything that has happened where you have been victimized by

others. You may have forgotten all about that the Holy Spirit can bring those things back to your remembrance. If you do not know all these things, and the Holy Spirit has not revealed anything to you specifically, this is why we have made all of our cast-out sessions that can help you not only to cast out demons but also to discover what is in you. You might be using a cast-out session and you are using it in a particular area, and demons start coming out of you. You wonder, "I do not see how that could be because I do not remember ever doing those kinds of sins". Well, it could be coming out because of what was there from your inheritance that you did not even know about. Nonetheless, this will help to not only get rid of them but discover what all is in you. So these can help you to discover what might be in you because if we have been affected three and four generations back, anything could be in you potentially. You can have all kinds of stuff, so just because you know some of your own problems that does not mean you have it all figured out, there may be a lot of things that have come in, and that is why we have made these for those two reasons only to help you cast out better help to discover what all might be in you. Or you might be listening to one of those and the Holy Spirit shows you that that is in your inheritance line, and it starts coming out of you and so you want to start understanding why that is there, and that has to be driven out because it might be why you are in bondage, in captivity in some areas of your life that need to be eliminated, and be driven out. As you discover all these sins and iniquities from the forefathers, your own sins, victimization effects from other people at what they have done to you and you make the proper choices to remit all those sins, and you forgive every person, you confess your own sins, you turn away from them, you make sure that you have godly sorrow that works repentance, and you correct all those problems and do not continue in them. I mean you cannot continue in them or you are never going to get free. Remember you have to have the works, and you have to have the fruit showing that you have really dealt with that problem in your life, that shows true repentance. Then, of course, the way we are going to get healed, and set free is through casting out the demons because when you sin what happens? You give place to the devil which means the demons come into you, and are enforcing these problems. That people do not believe that Christians have demons in them or any whatever have been totally deceived because everybody has sinned and everybody has demons in them. From inheritance which comes down from the iniquities of the forefathers is always rooted in evil spirits, and things that have happened from your own sins are also rooted in evil spirits, and victimization from other people did have done things to you will also be coming from evil spirits working through them that have come into you. If you have been hurt, you have been damaged, you have been abused in different ways, people have been raped, and they have had terrible things that have happened in their life, well those spirits have come into a person. The answer is we have to cast out these demons, the first sign following those that believe is in Mark 16:7).

Mark 16:17 And these signs shall follow them that believe; In my name shall they cast out devils; (We need to be casting out these demons and drive them out. Remember we saw this scripture about how you are going to escape out of bondage psalms 124 that is).

Psa 124:7 Our soul (So we are talking about our soul, will, intellect, and emotions) **is escaped as a bird out of the snare of the fowlers:** (Ah, it is gone I am free) **the snare is broken, and we are escaped.** (How did that happen? Because) **Our help is in the name of the Lord,** (Well, what is the name of the Lord? That is what we are given to operate in authority, we do everything in the name of Jesus, we cast out the demons in the name of Jesus. We use the authority to cast out those spirits out of our soul so our soul escapes like a bird out of a snare of the Fowler. We have been snared, we have been captive, we have been in bondage. God wants us to understand that you have authority over all demons, and you can cast them all out in the name of Jesus, he the one. As you use that name Jesus your soul will come out, the snare will be broken, you will be escaped and set free, and delivered from those bandages. You are going to have to engage in warfare though, it is a warfare and ongoing warfare of driving everything out, and everything in you is to come up to come out. Do not just deal with certain problems you want to deal with you want everything to come up to come out in your life).

Psa 55:16-18 As for me, I will call upon God; and the Lord shall save me. 17. Evening, and morning, and at noon, well I pray, and cry aloud: And he shall hear my voice. 18. He hath delivered my soul in peace from the battle that was against me: (Well, that is a war, it is a spiritual war. You are going to be fighting against evil spirits) **For there were many with me.** (Who is with you? All of the Angels. The warring angels will go into operation against the evil spirits when you enter into spiritual warfare. When you use your Authority, and you begin to command these demons to come out, and you speak to them by their function, and command them to come out in the name of Jesus they are going to go into operation to deliver your soul in peace, completeness, soundness, welfare the word "Shaw-lome" totally free) **from the battle that was against to me:** (This is a battle against you, this is a war. You are going to engage in warfare to conquer all the enemies, and to drive them out. These angels will go into operation. Remember what the Angels do on Hebrews 1:14).

Heb 1:14 Are they not all ministering spirits, (They are serving spirits) sent forth to minister for them who shall be heirs of salvation? (That is what you and I are the Heirs of salvation, deliverance, healing, being set free from all these bondages, angels are going to minister on our behalf. And what happens when you are speaking forth and putting the authority, and the power of God and operation? Well, the angels are going to go into operation to perform it).

Psa 103:20 Are they not all ministering spirits, (They are serving spirits) sent forth to minister for them who shall be heirs of salvation? (That is what you and I are the Heirs of salvation, deliverance, healing, being set free from all these bondages, angels are going to minister on our behalf. And what happens when you are speaking forth and putting the authority, and the power of God and operation? Well, the angels are going to go into operation to perform it).

Matt 26:53 Thinkest thou that I cannot now pray to my Father, and he shall presently give me more than twelve legions of angels? (That will deal with this situation. The demons that were trying to work through them the angels would confront them, and conquer all their works and stop anything from happening. The angels go into operation, the warrior angels will fight, and they will prevail against these enemies. Now, to get healed of all these wounds it is going to be casting out these demons).

Luke 8:2 A certain woman, which had been healed (Of what?) **of evil spirits and infirmities** (Or weaknesses. Notice, they were healed, it did not say they were healed of hurts and wounds and so forth but they got healed of what the hurts and wounds were. How did the healing occur? It says, healed the evil spirits. Well, that tells you the problem, they needed to be healed was caused by the evil spirits that came in from inheritance, their own sin or wounding of some sort. And that is not talking about the physical thing because the infirmities are really talking about physical type of things. So this would be talking about the evil spirits that would be affecting what? The soul) **healed of the evil spirits** (And of course, how do you get rid of the evil spirits? You cast them out. What produces healing in the soulish realm? Casting out the demons. Noticed, they had been healed of the evil spirits. It is interesting the word here is an imperfect tense verb meaning the imperfect tense is an ongoing action in the past, it would be translated were continually being, were continually being because it is an imperfect tense like the present tense but it is in the past, it was happening continually. That meant these guys must have been going through a lot of deliverance, it just did not happen instantly. They were continually being, and then the word healed this one is a perfect tense participle. When you combine these together you understand what was happening, it was a continuous action in the past that produced a completed action or completed work because the perfect tense means a complete action completed in the past. So it was an ongoing work in the past that produced this completed action in the past, and the perfect tense means with the effects at the time of speaking. So what this is essentially saying is these women had gone through ongoing action in the past that produced a completed action of them being healed of evil spirits, they got all these demons cast of them, and were set free in their soul, and from all of these infirmities. That is essentially what it is saying when you see an imperfect tense combined with a perfect participle showing that the action was completed. But because it was an imperfect it was happening ongoing it was not just one thing. These people were going through, and must have been receiving a lot of deliverance in order to get set free. That tells you that deliverance will be an ongoing process of casting them out, and when they get cast out the action completed with a perfect tense will be whole, you will be in that state of being free at the time of speaking which is now healed and whole of those evil spirits. God wants you healed and whole of all evil spirits. Well, that also means you have to get them all cast out, you just do not cast out a few and then leave the rest there, it is going to be an ongoing work, you are going to keep casting them out until they are all eliminated. So this is very interesting that the healing occurs by getting rid of the evil spirits. Now there has been a teaching that has gone forth in the body of Christ that speaks of inner healing. Inner healing is a

false teaching let me tell you why. Inner healing has been used by people who did not believe in deliverance, it is kind of their replacement for deliverance. It has also been used by those who are involved in deliverance where they kind of do both, inner healing and deliverance. What do they mean by inner healing? When you find out about what this inner healing is, this is the way they approach it. God takes you back in time to the time of the occurrence in the past when this terrible hurtful thing you know whatever might have happened, abuse happened, and now you are going to see Jesus with you at that time in the past, and ministering healing to you. That is the way it works, that is what they do. That is nuts, that is not reality, it is false. For example you are rejected by someone when you were real young and they will have you visualize that now instead of seeing what happened now we see Jesus holding us and accepting us when you were rejected instead, holding, accepting you, and ministering healing to you when that was happening. That is the way the inner healing approach is, they go back in time for these things, that is not reality. The truth is Jesus was not holding the person, the devil was destroying them, and rejecting them and wounding them and hurting them, that is the reality. Furthermore, these use visualization techniques, you visualize these things. Visualization, that is a bunch of mental stuff that is out of psychiatry, it is also out of new-age technique. New age techniques will use visualization processes, it is all false. It is not going to deal with the evil spirits whatsoever. Do you go back in time? No, what is past has passed, it has happened you are not going to go back in time. Now, are we going to see Jesus doing something different to you and back in time? No, what the devil did to you happened, it was done. So you do not recreate the situation in going back in time and see Jesus there with you, that is not reality, that is not the truth, it is a lie we do not do it. Instead, what do we do? We get rid of what came in back in time by casting it out, and getting rid of the effects of it is what you do. In fact, some people you take back in time, they actually relive the experience, and they all get upset or they are crying or they are going bananas over the situation because of the torment from the demons that came in at that time. That is nuts, you do not want to relive the thing, you will let more demons come into you. What is the answer? You get delivered now from all the demons that came in from the past, not do any of this visualization that you are going to go back in time and see such a thing. I always tell people that have all this inner healing type thing I say, "Give me chapter and verse to show me that in the word of God that it happened". Nobody has ever been able to show one. Why? Because it never was in the word of God, it is all a lie it is total deception. How do we get healed? She got healed of the evil spirits. They did not get healed by going back in time, they got healed of evil spirits not by visualization that "Oh things are going to be different now" Jesus was with me back then. No, you cast out the demons from what came in at the time, and get rid of them. Jesus ministered to people in the present time to cast out the demons that came in from the past time not go back to some kind of past time stuff. Inner healing techniques are man's replacement for deliverance for the ones that do not believe it but for the ones who do believe in this, people out there in the Deliverance circles that will do inner healing too is a mistake. And one of the reasons is because they really do not understand deliverance, if they understood deliverance that it is a process, and you continually cast them out like what it is speaking of here until they are all gone

mama and there could be a whole lot in there you just keep casting out until they are all gone because they cast out a little bit but "I still have these problems". Oh, so we are going to do these inner healing techniques, we are going to go back in time and do this visualization and these kinds of things, and Jesus is going to be there with you holding you, and healing you and all that. Total unreality, it is lies there is no place in the word of God. How did these women, and women have been beaten up especially, and have had a lot of emotional damage and things that have happened to them in their life. How do they get set free? By the ongoing work, an imperfect tense of the deliverance, by casting out the demons that produced the healing and saw them be set free. Now let's look at another scripture that is important to understand how a deliverance will work to set you free from mental problems. This is the man from Gadara and this is in Luke's account, this is after he had been delivered, and this is what we see in verse 35).

Luke 8:35 And when they went out to see what was done; and came to Jesus, and found the man, out of whom the devils were departed, sitting at the feet of Jesus, clothed, and in his right mind: And they were afraid. (All right) **out of whom the devils were departed,** (So the demons were cast out of him right? Well, that is important. This is a pluperfect tense, the pluperfect tense means "Action completed in the past with results in the past". So this is essentially saying the devils were cast out, they got rid of them all, okay. Did that solve the whole problem? No, because there is more that needs to be done. See if you just cast out the demons but something else does get done are you going to be in a sound mind? No. Why? Because he is sitting at the feet of Jesus is a present tense, ongoing continuous action. Sitting at the feet of Jesus what does that tell you? Who else was sitting at the feet of Jesus? Mary. What was Mary doing sitting at the feet of Jesus? She chose the right part of hearing the word of God. So what is this talking about? This person got the demons cast out but he is sitting continually at the feet of Jesus, he is hearing the word continually. That is important for people to get free of mental problems, and also because of sitting at the feet of Jesus hearing the word continually what happens to him? He is getting the word of God, he is putting on the armor of God, the power of God all these things are coming into him. And what is that? That is what being clothed is all about. When it speaks about being clothed this is a perfect tense referring to the fact, that the clothing has been accomplished, and completed in the past with present results at the time of speaking show me the fact, that this was an ongoing work as well, and this is where he is at at this point in time. And notice, also it is a passive voice. Well, that means he did not clothe himself, so it is not talking about him that he put on some clothes. No, somebody else clothed him. Who is doing that work? The Lord is through the word of God, that is what it is talking about meaning that the demons get cast out, he is hearing the word of God continually, he gets to the place where he is now clothed with all the things, the armor of God, the power of God, the Lord Jesus Christ all of these things that it talks about that we clothe ourselves with by God. Because what has he been doing? He is obviously doing the word that he has been hearing, and putting it in operation to see it come to the place of a completed work with present results that he is clothed. When you put on the armor of God you put it on for yourself and you get clothed, in this sense you are clothed by having heard the word

and done it, and the Lord accomplishes this clothing in your life. And then what? And then he is in his right mind. In other words, how are you going to come to the place of being set free from all the soul realm problems, mental problems? You are not going to just cast out the demons you are going to get yourself in the word of God that your mind is going to get renewed, you are going to be thinking correctly, you are going to be hearing the word, you are going to be clothed with the things of God, you are going to be having the power of God, you are going to see this completed work with present results, this is also implying you are going to correct all the problems in your mind. You are going to be thinking correctly, you are going to be in a right mind. That is what it takes, that will restore your soul, that is why people that just want to cast out the demons that have mental problems that do not get in the word of God and correct everything, and get themselves filled up with the word, and see God do a work where they are clothed with the things of God, they do not get too far. Why? Because if they do not clothe themselves they will open up the door to the enemy by wrong thinking, by wrong choices, and then they wonder why they get worse. That is why you have to be in the word of God it is absolutely essential sitting at the feet of Jesus to get to the place where you are clothed. Now, this deliverance, it is an ongoing process. So while you are going through the deliverance you also want to be doing all these other things, you want to be correcting every problem, of course, getting the word in you, and coming place where you are filled up with the word seen this completed work in your life correct in every problem, that is why everything has to be corrected. If you do not correct the problem, how are you going to get free if you are thinking the same way, respond in the same way, react to the same old emotions, making the same wrong choices, and reacting the same way when someone does something all the time. You are going to be in the same boat, you will not get anywhere. It is a process).

Ex 23:30 By little and little I will drive them out from before thee, until thou be increased, and inherit the land. (It is a little by little process of casting them out. But notice, also what it says, what it is implying from what we just talked about back in Luke 8) **until thou be increased,** (What does the word increased mean? It means to bear fruit. Well, what does bear fruit imply? You have been hearing the word, doing the word, walking in it, and now it has become your lifestyle because it produces fruit. Again that guy who is sitting at the feet of Jesus, and gets his clothes on, and that completed action is now his lifestyle. That is the way he is walking, he has corrected the problems, he is now got the fruit going forth. Other words, you drive them out until you are fruitful. People just want to drive them out and not get fruitful hearing and doing the work, they never get anywhere. They will never get to the place of inheriting the promise because you have to come to the place of being fruitful before you can inherit the land which is the promise of God, and see be manifest in your life. That is important, that means we have to get on the offense against all these enemies, we cannot let anything stay).

2Sam 22:38-41 I have pursued my enemies, (You get on the offense. We are going after them all. God will reveal everything that is in you, the Holy Spirit will lead and guide you, and direct you

in all kinds of ways, and you are going to discover everything and you are going to cast them all out) **and destroyed them; and turned not again** (No stopping) **until I had consumed them. 39. And I have consumed them, and wounded them, but they could not arise: They are falling under my feet.** (As long as they keep on showing up they are not all under your feet, there are still some more there. If they get to the place where they are eliminated then they will not be able to arise. People say, "Well, they are coming back". No, unless you are walking in sin which most everybody is not, I mean they are pursuing casting out and they are walking right, it is just more that is in you that is coming up to come out. You can have a lot in you. "Well, how long does it take"? It all depends on how much has come out of you especially if you have had a whole boatload from inheritance you can have a lot. Forget about how long it takes just do it day after day after day after day, and watch God do the work. Get the word and you and correct every problem, everything is coming up to come out, the work is being done. When it gets completed and you have corrected all the problems, you are going to see total victory, and you will come to the place where these things will be eliminated when they are falling under your feet) **40. For thou hast girded me with strength to battle: them that rose up against me hast thou subdued under me.** (God does the mighty work, and they will be subdued under you) **41. Thou hast also given me the necks of mine enemies, then I might destroy them that hate me.** (You have to take them out, these are devils that hate you. You do not allow them, "Well, I am not going to you know, I got rid of some of this and I feel a little bit better". No, get them all out they hate you, you destroy them all, they all have to be eliminated, and that means everything has to be driven out, and you cannot leave any remain. If you leave them to remain you are in trouble, and you cannot say, "I wonder why God did not get me free of all those things". It is not his problem, you did not do what was needed to be done).

Num 33:55 But if ye will not drive out the inhabitants of the land from before you; (Which is a type of you casting all the demons out) **then it shall come to pass, that those which ye let remain of them** (Well, in reality we are letting them remain because we have not gotten rid of them all because God has given us authority, to cast them out didn't he) **shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell.** (Well, I have come into the land, I am born again, I am dwelling there but I am still vexed in it. Well, that is right because you have not gotten all the enemies out yet. That means any enemies that are still in you in reality from God's viewpoint you let them remain. He has given you authority, and told you to drive them all out. You cannot say, "I wonder why you didn't get rid of them all", he gave you authority, you are casting them out. If they are not all gone, how come you did not do it? You must have let them remain. "Well, I did not know they were there". Well, you are supposed to keep on pursuing them, and driving them out until they cannot arise, and as long as they are rising they must not be gone. We have to get involved in the ongoing warfare to drive all of these enemies out, they need to be eliminated, and put under foot. Now, if you are going to be able to be successful at this of course, you have to get yourself in the word of God, and come to the

place where you are guarding your soul especially. Proverbs 22, if you do not guard your soul is it going to get healed? No, the enemies are going to come back in).

Pro 22:5 Thorns and snares are in the way of the froward: He that doth keep (Or guard) his soul shall be far from them. (So you have to guard, that is when you get clothed with something you put on the Lord Jesus Christ, you are walking it, you have fruit, you have eliminated it. And you are going to imply the guardian of your soul at the same time. Just think of the sin areas you have eliminated in your life, and is that able to get to you anymore? No, you are guarding your soul because you are walking the way of the Lord, you have the good fruit, you have repented, you have turned from it, you are not giving place to dine anymore. You guard yourself, and that thing shows up you are going to resist that. You have to guard your soul, if you do not guard your soul, and you let your soul make wrong choices, think wrong, or respond out of emotions or react when this situation shows up again the enemy got you. That is because we have not driven them all out, we have not really corrected the problem yet. We have to get steadfast in the soul).

Luke 21:19 In your patience (Steadfastness, "Patience" is "Hoop-om-on-ay") **possess ye your souls.** (You are going to possess control of the soul. We have to possess our soul with the word of God and doing what God wants so we do not let this enemy get to us. Where is the battleground? Your soul. What is he lying in wait for? Your soul. He is trying to set you up, it says, "He marks your steps", remember those scriptures. He marks your steps looking to try to get to you, they devise your hurt and all these things. You have to guard yourself, you have to get yourself to the place where you are steadfast in the word so you possess your soul, and these enemies will not be able to get to you. Also, of course, you have to keep always crucifying the flesh, and not giving place to any fleshly lusts the try the work at you).

1Pet 2:11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which (Do what?) **war against the soul;** (They have to get you to give place to them, and then they can come in, and you give place to them now. So you have to be on top of everything in your mind, in your will, get your mind renewed, your soul realm getting restored, you are going to abstain from any and all fleshly lust because you deny yourself, and you crucify the flesh daily. You do not give place to that because it is going to war against your soul, if you do not have your mindset and your willset to do what God wants, and are continuing in the word, and come to the place of clothing yourself those fleshly lusts will try to penetrate through, and get you to yield to them and the soulish realm, we cannot allow that. Furthermore, the way you are going to get your soul purified is as it says, here in 1 Peter 1:22).

1Pet 2:22 Seeing ye have purified your souls (How do it get to that place?) **in obeying the truth** (Obedience, you cannot just get delivered in then not even think about obeying the word of God, and think you are going to stay free, you will not. You have) **purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren,** (We are going to obey the truth.

Obedience, that means hearing and doing the word incorporating the word into your lifestyle, you are a doer of the word, these enemies are not going to be able to get to you. You purified your soul. See you get so established you come to the place of being obedient in all things, the enemy cannot even get to you, your soul has now been restored, and healed and strengthened the word is what strengthens your soul, you have to get the word in you. Remember that scripture that we looked at in Proverbs, your mind is so important. Proverbs 23:7 we pointed out the mistake in the King James).

Pro 23:7 For as he thinketh in his heart, so is he: (It is not heart, it is the word "Neh-fesh" which means "Soul". We know it is not heart because heart is used in this verse correctly later) **eat and drink, saith he to thee: But his heart** (That is the word "Labe" which means "Heart" translated heart throughout the Old Testament as it shows 508 times here) **So as he thinketh in his soul, so is he:** (So as your soul goes! Well, that is really important. So you have to get your soul delivered, you have to get your soul restored, you have to get your soul strengthened, you have to get your soul established in the word, and steadfast, you have to get your soul to the place where you are clothed with the word of God, and you brought forth fruit because that is your lifestyle, and you are steadfast in your soul. You guard your soul, the enemy is not going to get to your soul any more, he is not going to get to your will, and your intellect, your emotions, and get you to respond that way. Think of the areas where you have gotten the victory. Nothing is ever going to make me touch alcohol again because I know it is evil and bad. I will set my mind, and nothing can get me to fall into that ever again. It is true in every area, you can conquer everything, everything, we have to put the word first place).

3John 1:2 Beloved, I wish (Or pray) **above all things that thou mayest prosper** (Remember this is a present tense, for you to be prospering by God, a passive voice) **and be in health,** (These are infinitives both of these are continually. How?) **even as** (Or in proportion as, in the degree that) **thy soul** (Is) **prospereth.** (Continually, a present-tense by God on the passive voice because it is God doing the work through the word, and through deliverance, and the healing, and restoration in your life. That is what he wants, so we must get our soul restored. We must get healed, and that means we have to deal with all sin, we have to make sure we have made all the appropriate choices in relationships, we have to discover all the iniquity roots that are there, God will show you. The things you know you have you know what to go after, things you may not know he will reveal them to you, you cast out all these devils, you make sure that you do not give place to them coming back in, it is an ongoing process. You must get in the word of God, and remember it is going to be an ongoing result, and the healing of the evil spirits in those women shows you how do you get healed in your soul? Through the evil spirits being cast out, none of this other ridiculous stuff the people do, it is contrary to the word. And we sit at the feet of Jesus, and get the word in us, and get clothed to the point where this is the way we walk, this is the way we walk at all times, and you were going to see the total result of being totally brought out of all captivity released from bondage, and imprisonment totally healed and totally free. All bruises

and all wounds can be eliminated). You have to get rid of them all, you have to be ready so you are not going to react, and you have to correct everything in your life. If you keep reacting in the same way you will keep on getting bruised, and wounded, and hurt, you keep reacting to that rejection, those rejections are going to be doing more damage to you. You keep on reacting with that anger at what so-and-so said or whatever something you did not like you are going to keep on having more problems. We cannot do that, we have to correct every problem in our life. God wants to restore your soul, he will heal it and restore it and deliver it, set it free, release it from all bondage and imprisonment as you cast out all the demons, and you correct everything in your life, and then you get steadfast in it. You are to come to the place where your soul is so victorious that as it says over here in Hebrew 6:19).

Heb 5:19 Which hope we have as an anchor of the soul, (Hope is the confidence expectancy of what God will do because of the word in your mind in the soul, you know exactly what God will do. It is anchored, your soul is set. When your soul is set the enemy is not going to be able to get to you anymore. But as long as you have an unstable soul he can throw you around every which way. If you have wrong words you will damage your soul, wrong thinking will damage your soul as we talked about, any of these things wrong actions damage your soul, wrong reactions damage your soul. We have to correct all these problems as you do so you're going to see God heal your soul, and we must get our soul healed and restored, so then our soul is steadfast. We possess control of it, we will not give place to it, that is battle and the devil has to get to your soul, he is after it. If you will not let him get to it, and you crucify the flesh daily, and you put the word first place he is finished in your life. That is where we are headed to and that is how we are going to be spirit, soul, and body preserved blameless unto the coming of the Lord because we are going to sanctify the whole being healed and delivered. So what are your problems in the soulish realm? Make a list of them get after them, get and the word correct them all and start casting all the devils out, conquer everything and get the fruit coming forth, get yourself sitting at the feet of Jesus, get yourself clothed with the truth, casting them out until they are underfoot and they cannot arise anymore, and guard your soul with the word of God and watch God accomplish this great work in your life).
