"Forby Series - #7 Fundamentals Of Cyber security"
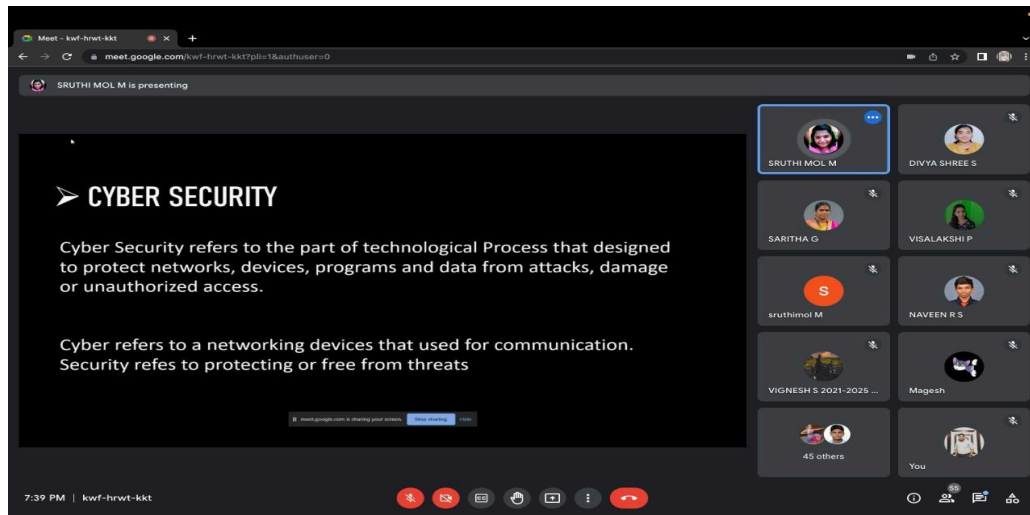

On the 2nd of January, the IEEE Student branch of Sri Sairam institute of technology, organized the "FORBY Series" event on "Fundamentals of cybersecurity. The event took place in Online mode from around 7.30 p.m. to 8.30p.m. The event was coordinated by the IEEE SB Counsellor Dr.G.Saritha. The event was held by M. SRUTHI MOL of 2nd year ECE department. The event was very much interesting. The students actively interacted in the event. Some of the basic concepts of cyber security was discussed. Also, some of the interesting advantages and uses of cybersecurity was elaborated in detail. The speaker also shared about the information that is needed to be secured and how to stay safe from the cybersecurity crimes. The speaker was very much active and posed questions to which the students answered. On the whole the entire session was useful and fascinating.

"Unveiling the Opportunities in IEEE Society Membership – Orientation Session"
